Travel 1: Stratford to Chancery Lane

- From Stratford:
 - Central Line Westbound
 - 6 stops to Chancery Lane

Stop 1: CityMapper SmartRide

15:00-15:15

We will take trip on [Smart Ride](#), a new shared Demand Response van service, from Chancery Lane to Blackfriars. Smart Ride is operated by [CityMapper](#), known already to many Londoners as the provider of the most popular public transport app here.

Damien from CityMapper will be with us to help and answer questions.

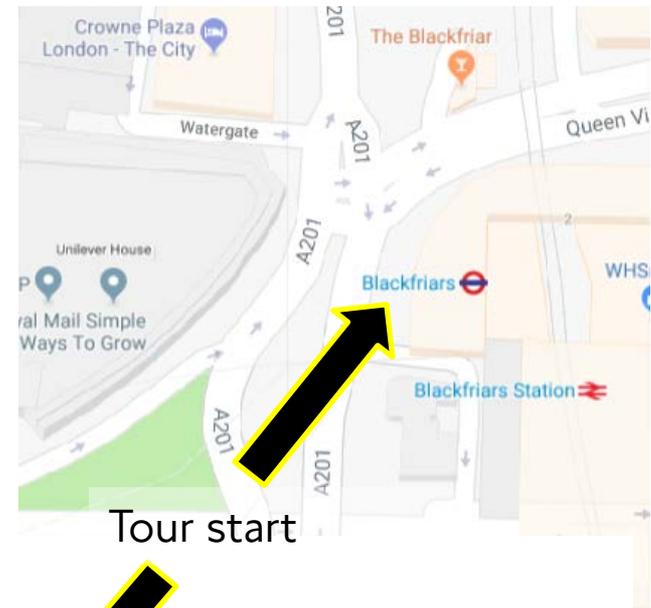

Time will be tight, and things will faster on the day it you have already downloaded the CityMapper app and set up Smart Ride. It will help you anyhow as you navigate around London on public transport. You will need to insert credit card details but there will be no charge for the ride on the day.

Stop 2: Cycle Superhighways

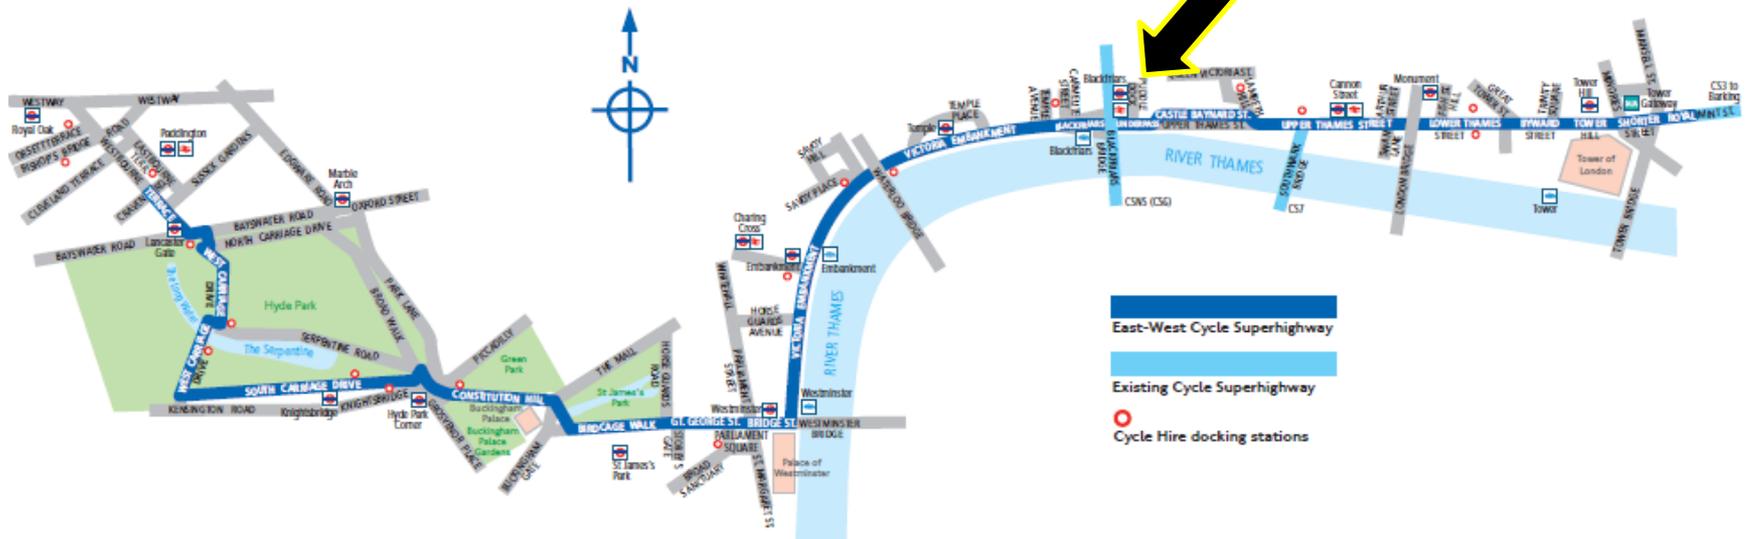

15:30-16:00

- The Cycle Superhighways are a series of largely segregated two-way cycle tracks
- We will learn about the challenges of planning and building the core routes through Central London

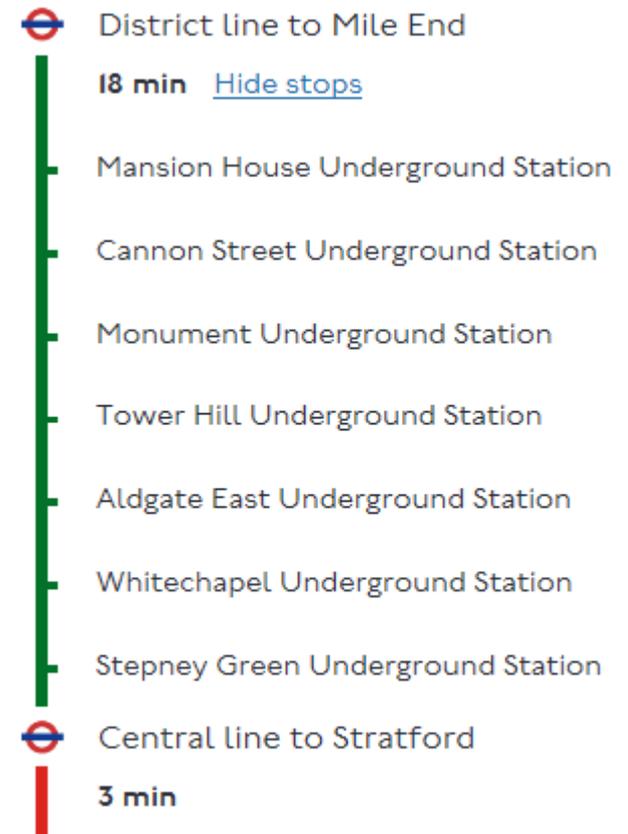

Tour start

East-West Cycle Superhighway (CS3)
Tower Hill to Lancaster Gate
Route alignment

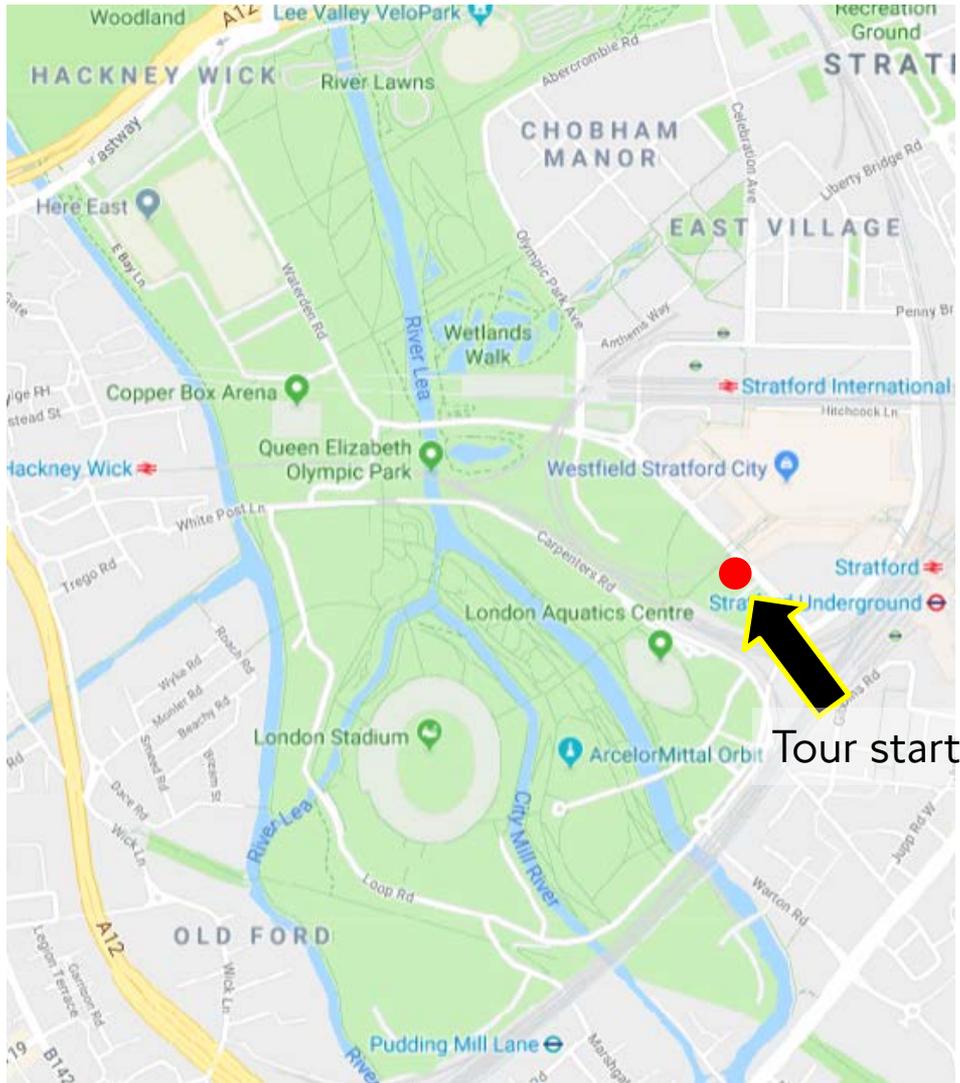

Travel 2: Blackfriars to Stratford

- From Blackfriars:
 - District Line Eastbound
 - 8 stops to Mile End
- Change trains at Mile End:
 - Central Line Eastbound
 - 1 stop to Stratford

Stop 3: Queen Elizabeth Olympic Park

16:45-18:00

- The Queen Elizabeth Olympic Park served as the centre for the 2012 London Olympics
- The London Legacy Development Corporation, who now run the site, will be giving us a tour focusing on the development of the site and the local area
- The tour will start and end at TfL's offices adjacent to the park, at 5 Endeavour Square
