

Annual Schedule - LaneOnline Courses meeting ASSOCIATE OF ARTS OREGON TRANSFER DEGREE (AAOT) Requirements

Please see the official Lane Community College Catalog for complete information and specific requirements for the Associate of Arts Oregon Transfer Degree.

Guidelines:

- Complete a total of 90 credits of college-level coursework (see notes).
- Complete at least 24 credits at Lane.
- Foundational Skills and Discipline Studies courses must be a minimum of 3 credits, except for Health/Wellness/Fitness courses, which may be any number of credits.
- All Elective courses may be any number of credits.
- All courses must be passed with a grade of "C-," "P" or better.
- Maximum of 16 credits "P" may be used toward degree. This limit does not include courses only offered P/NP.
- Cumulative GPA must be at least 2.00 at the time the Associate of Arts Oregon Transfer is awarded.

Note: Each student is strongly encouraged to work with an academic advisor or counselor to match career and major goals, with an appropriate program, and to select appropriate courses for a major at an intended transfer institution.

¹ Meets the Cultural Literacy requirement. A course taken to meet the Cultural Literacy Requirement will also be used to satisfy Discipline Studies Requirements. The credits for such courses will only be counted once toward the 90 credits required to complete the degree.

² These courses require prerequisites and/or placement tests. See current LCC Catalog for details.

³ Career Technical courses: Students may include up to 12 credits in the AAOT degree. Career Technical courses fulfilling Health/Wellness/Fitness requirements will not be counted in the 12-credit limit on CT courses. Policies on accepting career technical credits vary at four-year institutions in Oregon. Consult an academic advisor about taking career technical courses as electives.

(L) = Lab course. GS142 and GS147 must be taken for 4 credits to meet the lab requirement.
