

Business Incubator Questionnaire

Directions: Rather than send a formal Business Plan, please answer the questions below and return this form to St. Ann Center by June 5th. Your answers need to show promise for a legitimate business idea, large or small. You can fill out more than one questionnaire, but please keep one questionnaire for each business idea.

We are looking for your for-profit business ideas that can generate income for the 53205 and 53206 neighborhoods. Ventures that do not qualify include: churches, fast food franchises and daycare centers.

The first 20 legitimate questionnaires returned with reasonable business ideas will be invited to the Business Incubator session on June 29.
