

HS Festival Reminder Letter

The Michigan School Band and Orchestra Association (MSBOA) festival will be **Friday, March 13th, in Perry, MI**. This festival is a wonderful opportunity for students to get constructive feedback from experienced judges and to see other bands from the area perform.

We will leave from school that day at 4:30pm. Students will need a ride home from the high school at 11:00pm.

This is one of the most important performances of the year and is required.

There will be pizza and snacks available at the event. Students should bring \$5-\$10 with them to eat before the performance. If this is a problem, please let me know and I will make arrangements so that all students have money with them.

If parents would like directions to the event they will be available at school.

Students will wear their Coleman Bands Polo that they wore for the Christmas Concert. The students still have their polos, but we request that students wear **black pants, black socks and black shoes**.

It is extremely important that all students attend this event. If your student cannot attend, I need to know as soon as possible.

Call me at (989) 442-1998 if you have any questions.

Sincerely,

Jim Burkhart
Director of Bands
