Embodied Movement or Meditation Class Descriptions

A highlight of the campus experience is your free time. Whether you walk in the redwoods or take a movement or meditation class, you'll have the chance to relax and rejuvenate. Below are examples of some of the classes we offer in rotation—a schedule will be available at check-in. These classes are specially designed to be multilevel, perfect for both new and experienced students, and are accessible for all age groups and physical conditions.

Yoga

Connect the body, mind, and breath with our medium-paced yoga class. Suitable for all levels of experience and ability.

Tai Chi

Explore nourishing moving meditations that build internal strength, deep vitality, and balance throughout the whole body.

Qigong

Mirror the movements of nature using circular, fluid, and spiraling motion to harness the power of qi: life-force energy.

Meditation

Attune to the present moment with mindful breathing, followed by silent meditation. Some meditation classes may include group or partner sharing.
