Contract	Amendment to Microsoft CAUDIT Renewal
Category (based on UNSPSC)	Computer Equipment and Peripherals and Components and Supplies

Particulars of the goods or services to be provided under this contract	<p>In October 2017 Microsoft and CAUDIT concluded negotiations in relation to the terms and conditions of the Microsoft Agreement for Microsoft products on behalf of Universities. In addition, the parties also negotiated fresh pricing. The process provides UNSW with the new terms and conditions and pricing for the Microsoft products, that UNSW uses.</p> <ul style="list-style-type: none"> <li>• The Contract renewal period is for 1 December 2017 for twelve months, until the 30 November 2018. This situation arises as a result of the time required to develop a new Microsoft engagement framework by CAUDIT, so an extension has been arranged for the next twelve months, which is represented by these new terms and conditions and pricing. At the end of this extension agreement – a new framework and Microsoft Agreement will be entered into for a longer term.</li> <li>• The basis of the calculation is as follows: <ul style="list-style-type: none"> <li>o FTE = 8,161</li> <li>o EFTSL = 38,819</li> </ul> </li> </ul>
