Checklist for HVAC and Water Heater Incentives and Invoice Requirements

Energy Trust's Existing Homes program requires participants applying for incentives to submit a paid installation invoice, which specifies incentive details. All items listed below are required—along with the information on the front of this document—for incentive processing.

- Contractor contact information
 - Installer name
 - Company address
 - Company phone
- Contractor/installer CCB# (not required for Energy Trust trade allies)
- Date of installation (all applications must be received within 90 days of installation date)
- Homeowner invoice marked "paid in full" (billing address must match Form 320H or Form 320U)
- Homeowner contact information
 - Homeowner name
 - Address
 - Phone number
 - Billing address (if different than residential address)
- Completed Form 320H or Form 320U attached
 - Homeowner billing information
 - Specify mailing address for incentive payment
 - Contractor and homeowner signatures agreeing to Terms and Conditions
- CheckMe! data sheet (if applicable)
- Completed PTCS Duct Sealing Certificate and NW Duct Sealing Form submitted (if applicable) and duct sealing invoice
- Installed cost for each qualifying incentive
- Unit identification for each qualifying incentive:
 - Manufacturer
 - Model number
 - Serial number
- System replaced (for ducted heat pumps only)
- Efficiency information for each qualifying incentive:
 - Ducted heat pumps: Pre- and Post-HSPF, SEER, EER, unit size (in tons)
 - Water heaters: Energy Factor, capacity (in gallons or indicate "tankless")
 - Direct-vent gas fireplaces: FE percent
 - Direct-vent gas unit heater: AFUE percent
- Water must be heated by gas or electric from Portland General Electric, Pacific Power, NW Natural or Cascade Natural Gas
- Incentive amount requested—see www.energytrust.org for current incentive amounts

This sample invoice is to be used as a guideline in accordance to the new Existing Homes incentive structure, effective January 1, 2011. A complete list of the incentive changes is available at www.energytrust.org/ta. All invoices must be submitted on your company's letterhead.
