(the "**Purchaser**")

1. Definitions

"Agreement" means this Simple Agreement for Future Tokens.

"Alprockz" or the "Token" means the token that the Company intends to issue during the Token Launch.

"Discount Price" means the maximum price per Token sold by the Company to the public during the Token Launch multiplied by one minus the Discount Rate.

For the purpose of clarity: a discount of 20% on the public price of CHF 0.60 entitles the Purchaser to a price of $0.60 \times (1 - 0.20) = \text{CHF } 0.48$

"Discount Rate" is [____]%.

"Dissolution Event" means (i) a voluntary termination of operations of the Company, (ii) a general assignment of the Company's assets and liabilities for the benefit of the Company's creditors or (iii) any other liquidation, dissolution or winding up proceedings of the Company, whether voluntary or involuntary.

"Purchase Amount" means the amount of CHF [____] (or equivalent amount in Bitcoin or Ethereum or BTC Cash or any freely tradeable fiat currency) to be paid by the Purchaser.

“**SAFT**” means an agreement containing a right to future units of Tokens purchased by Purchasers, similar in form and content to this agreement, which a significant portion of the amount raised under the SAFTs will be used to fund the Company’s development of a decentralized blockchain-based cryptocurrency, backed by Swiss Francs.

“**Token Launch**” means a transaction or series of transactions, pursuant to which the Company will sell the Tokens to the public in a public product launch.

2. Purpose

The purpose of this Agreement is to grant to the Purchaser a right (the “**Right**”) to certain units of Alprockz in exchange for the payment of the Purchase Amount.

3. Events

(a) **Token Launch**. If there is a Token Launch before the expiration or termination of this Agreement, the Company will automatically issue to the Purchaser a number of units of the Token equal to the Purchase Amount divided by the Discount Price.

In connection with and prior to the issuance of Tokens by the Company to the Purchaser pursuant to this Section 3(a):

(i) The Purchaser will execute and deliver to the Company any and all other transaction documents related to this SAFT, including verification of accredited investor status or non-U.S. person status under the applicable laws; and

(ii) The Purchaser will provide to the Company a wallet address for which to allocate Purchaser’s Tokens upon the Token Launch.

The Purchaser agrees to the following vesting schedule:

25% of the tokens will be released (freely transferable) at Token Launch, 25% after 6 months, 25% after 12 months, 25% after 18 months.

(b) **Dissolution Event**. If there is a Dissolution Event before this Agreement expires or terminates, the Company will pay an amount equal to the Purchase Amount multiplied by one minus the Discount Rate (the “**Discounted Purchase Amount**”), due and payable to the Purchaser immediately prior to, or concurrent with, the consummation of the Dissolution Event, subject to the rights and preferences of others creditors of the Company. If immediately prior to the consummation of the Dissolution Event, the assets of the Company that remain legally available for distribution to the Purchaser and all holders of all other SAFTs (the “**Dissolving Purchasers**”), are insufficient to permit the payment to the Dissolving Purchasers of their respective Discounted Purchase Amounts, then the remaining assets of the Company legally available for distribution, following all distributions to the preferred creditors of the Company, will

be distributed with equal priority and pro rata among the Dissolving Purchasers in proportion to the Discounted Purchase Amounts they would otherwise be entitled to receive pursuant to this Section 3(b). Any distributed amounts shall be in Swiss Francs.

(c) **Expiration and Termination**. This Agreement will expire and terminate upon the earlier of (i) the issuance of Tokens to the Purchaser pursuant to Section 3(a); (ii) the payment, or setting aside for payment, of amounts due the Purchaser pursuant to Section 3(b); (iii) 30th September 2019 (the “**Deadline Date**”), if the Token Launch has not occurred as of such date.

3. Company Representations

This Agreement constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. To the best knowledge of the Company, it is not in violation of (i) its current articles of incorporation or bylaws, (ii) any material statute, rule or regulation applicable to the Company, or (iii) any material indenture or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company.

(c) To the best knowledge of the Company, the performance and consummation of the transactions contemplated by this Agreement do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any lien upon any property, asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

(d) To its best knowledge, the Company owns or possesses (or can obtain on commercially reasonable terms) sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses, information, processes and other intellectual property rights necessary for its business as now conducted and as currently proposed to be conducted, without an infringement of the rights of others.

The Purchaser has such knowledge and experience in financial and business matters that the Purchaser is capable of evaluating the merits and risks of such investment, is able to incur a complete loss of such investment without impairing the Purchaser's financial condition and is able to bear the economic risk of such investment for an indefinite period of time.

(b) The Purchaser is not relying on any advice or recommendation (whether written or oral) of the Company. The Purchaser enters into this Agreement based on the Purchaser's own judgement and upon advice from such professional advisers as it has deemed it necessary to consult.

Purchaser shall make the required payment to the Company in consideration for Purchaser's purchase of the Right pursuant to the SAFT through the procedures set forth on Exhibit A hereof.

(b) For purposes of this SAFT, the value of the Purchase Amount shall be deemed in Swiss Francs whether the Purchaser pays in Bitcoin, in Ether or any other currency, valued at the Applicable Exchange Rate for Swiss Francs. The term "**Applicable Exchange Rate**" shall mean the actual rate of Swiss Francs on 4:00 PM CET following the day that the Company notifies the Purchaser, in writing, that the Company has accepted Purchaser's offer to purchase the Right under this SAFT.
