

Holiday & Vacation Schedule for the 2018-2019 Academic Year (as of January 12, 2018)

Following is the calendar outlining school closings and important dates to assist you in preparing your family for the coming academic year. It is important for the success of your child and that of the overall school program that our families plan in accordance with the school calendar to minimize unexcused absences. While the school understands that there are occasional extenuating circumstances, such absences interrupt the academic development of our students, their classmates and the work our teachers do in planning a rigorous and effective curriculum.

Accordingly, Ranney School strongly discourages parents from removing their child from school to accommodate personal travel and vacation plans. In addition, any extended absence, due to reasons other than illness, must be discussed with the appropriate Division Head several weeks in advance. The faculty and administration request the cooperation of all parents in this matter in order to maintain the quality learning experience associated with a Ranney education.
