PREFACE

Need for a directory of the Drawing & Disbursing offices was felt for long. I am delighted to present this comprehensive Directory of Pay & Accounts Offices, Drawing and Disbursing Offices (Cheque Drawing and Non-Cheque Drawing & Disbursing Offices) under the payment control and accounting jurisdiction of Departmental Accounting organization, O/o Chief Controller of Accounts, Ministry of Information & Broadcasting. This is the first such Directory compiled and published.

I trust that this document will be informative and useful for all stakeholders. Any Suggestions for future improvement in the form and content are most welcome.

The Chief Controller of Accounts shall be responsible for assisting in the preparation of the disclosure statements required under the FRBM Act in respect of their Ministry/Department for incorporation in the consolidated statement, compiled by the Ministry of Finance for the Government as a whole. He would also provide financial advice with the requisite information and material for his input for Finance Minister's quarterly review of fiscal situation to be presented to the Parliament.

(v) Expenditure and Cash Management :

The Chief Controller of Accounts will support Financial Adviser in the discharge of their responsibilities for expenditure and cash management. The expenditure management function should also be closely linked to the Outcome Budget. He would provide support to improve cash management through monitoring of monthly cash flows effectively in the context of cash expenditure/commitments, tighten the system of receipt and payment monitoring and assist in securing greater convergence of revenue inflow and expenditure outflows.

(vi) Non-Tax Receipt :

The Chief Controller of Accounts shall be responsible for assisting the Financial Adviser in relation to estimation and flow of non-tax revenue receipts. In the discharge of these responsibilities, the Chief Controller of Accounts shall hold consultations with the administrative divisions to review various non-tax revenue receipts of the Ministries/Departments, review user charges for quantification of the subsidy elements and periodical reviews, as may be required, of rent, license fees, royalties, profit share and dividends.

(vii) Monitoring of Assets and Liabilities :

The Chief Controller of Accounts would be responsible for assisting the Financial Adviser to cause appropriate action for Ministry to have a comprehensive record of its assets and liabilities. He should take appropriate action in this regard for initial building up of such records, their ongoing updating and also for the recording of maintenance and optimum utilization of the assets. He shall also be responsible for monitoring Government guarantees.

(viii) Accounts and Audit :

Finance Adviser would be kept informed about the overall quality of maintenance of departmental accounts by Chief Controller of Accounts. He would be responsible for providing necessary information to the FAs for his regular review of the progress of internal audit and action taken thereon, so as to make it an important tool for financial management.

(ix) Budget Formulation :

The Chief Controller of Accounts will support the Financial Adviser towards improving budgeting and facilitating moving from 'itemized' to 'budgetary' control of expenditure. He would also support the Financial Adviser in assisting the administrative Ministries/Departments in moving towards zero based budgeting and assist in better inter-se program prioritization/allocation within the budgetary ceilings, based on the analysis of expenditure and profile of each programme/sub-program and information on cost centers/drivers, assessment of output outcome and performance and status of the projects/programmes.

(x) Outcome Budget :

The Chief Controller of Accounts would provide necessary support to Financial Adviser by active involvement in the preparation of Outcome Budgets by the administrative Ministries in accordance with the time schedule/guidelines laid down from time to time by Ministry of Finance. He would also assist in clear definition of measurable and monitorable outcome and set up appropriate appraisal, monitoring and evaluation system (in the context of their Internal Audit/Performance Audit, responsibilities of appraisal, monitoring and evaluation of individual schemes).

(xi) Performance Budget :

The Chief Controller of Accounts would provide necessary support to the Financial Adviser in the preparation of Performance Budget for their respective administrative Ministries. He must assist in linking the present, future and past in an integrated manner through Budget Formulation, Outcome Budget and Performance Budget.

(xii) Reporting Systems- Annual Finance Report and Annual Outcome & Systems Report :

The Chief Controller of Accounts shall be responsible for providing necessary material in respect of Annual Finance Report, Annual Outcome & Systems Report of the Financial Adviser to the Secretary (Expenditure), through the Secretary/the Chief Accounting Authority of the administrative Ministry(structured in such format as may be required in following instructions that Ministry of Finance would issue).

(xiii) Interaction between Ministry of Finance and the Financial Adviser :

The Chief Controller of Accounts shall provide required material and assistance for the quarterly meeting of Financial Adviser with Secretary (Expenditure) and the Finance Minister.

(xiv) Annual/Five Year Plans :

All units in the Ministries currently looking after the function of undertaking evaluation, preparation of Annual/Five Year Plan are, henceforth, to function under the overall supervision and control of the Financial Adviser. The Chief Controller of Accounts shall provide appropriate support to the FAs in the discharge of these responsibilities (in the context of their various responsibilities specified above).

COMPUTERIZATION OF ACCOUNTS

The process of computerization of accounts in the Departmentalized Accounting Organization of M/o Information and Broadcasting started with computerization of accounting function by the O/o Controller General of Accounts, Ministry of Finance. The software titled COMPACT had been used in the Pay & Accounts Offices for computerization of a monthly consolidated account. In this Ministry all PAOs, voucher level computerization was being used on the software i.e COMPACT. All the stages like pre-check, cheque writing, cheque review, scrolls, Transfer Entries and consolidation were being done by using this package. From the month of November, 2008 onwards the monthly account has been submitted to the O/o CGA after PAO wise adjustment of Put through Statement with online acceptance by the Principal Accounts Office. Window based applications like Microsoft Word and Excel are also used for preparation of Head-wise Appropriation accounts, Material of Union Government Finance Account (Civil) and monthly expenditure and receipt statements for submission to Ministry and for other MIS purposes.

COMPACT(PAO 2000):

A multi user software for use at the Pay & Accounts Office level was inducted to replace the existing IMPROVE Software. This software was developed with a view to computerise the work in all the Pay & Account Offices. This software had the following features:

1. Pre-check (Integrated payment and accounting functions and Automatic Cheque printing)
2. Electronic Bank Reconciliation
3. General Provident Fund
4. Compilation of Accounts
5. Settlement of Pension Cases
6. Expenditure Vs. Budget Control

INITIATIVES ON E- PAYMENT

The e-payment system in all Pay & Accounts Offices of Ministry of Information & Broadcasting had been successfully implemented under phase-II from 2011 onwards.

e- Payment System

Since, the IT Act, 2000 recognizes the digitally signed documents or electronic records digitally authenticated by means of an electronic method or procedure in accordance with the provisions of section 3 of the Act, the Controller General of Accounts had developed a facility in COMPACT for electronic payment (e-payment) through digitally signed electronic advices. This had replaced the existing system of payment through cheque while leveraging the COMPACT application running in all Pay & Accounts Offices in all Ministries/ Departments of Central Government.

The e-payment system developed was a fully secured web based system of electronic payment services which introduces transparency in government payment system. Payment of dues from the government under this system were made by credit of money directly in to the bank account of payee through a digitally signed e-advices generated from COMPACT through the 'Government e-payment Gateway (GePG)' on a secured communication channel. Necessary functional and security certification were obtained from STQC Directorate for its roll out. The system was implemented in all Central Government Civil Ministries/ Departments in a phased manner.

I. Government e-payment Gateway (GePG)

Government e-payment Gateway (GePG) is a portal which enables the successful delivery of payment services from Pay & Accounts Offices for online payment transactions. The portal is developed by the Office of CGA and has got STQC certification from Department of Information & Technology. The GePG serves as middleware between COMPACT application at PAOs and the Core Banking Solutions (CBS) of the banks/RBI and facilitates automating the manual registration process, e-payment advice, and e-scrolls communications.

Highlights of e-payment and GePG System

High Security Standards and System Logs of Transactions.

The PAO's applications have the following security requirements in place for effective e-payments.

- 128 Bit PKI encryption.
 - Integrity of Information: Hash Algorithm (SHA1): security standard are designed to ensure confidently of data, authenticity of data and integrity of data being conveyed on the internet by PAOs to the bank.
 - Non-repudiation- Key generation/ Digital Signature based on 128 Bit PKI Infrastructure (as recommended by RBI)
- Digitally signed e-payment Authorization along with Itemized tracking of each e-payment authorization and automated reconciliation.

Process Flow of e-payment System

Registration of digital signatures: The Pay & Accounts Officer obtains digital signature from the NIC Certifying Authority. The digital signatures obtained from the NIC Certifying Authority are stored in a USB Token called i-Key. The PAO registers the digital signatures with GePG portal through the Principal Accounts Office of the concerned Ministry/ Department. The concerned banks download the PAOs digital signatures from the GePG portal. Digital signatures of the authorized signatory of the concerned banks are also uploaded on GePG portal for authentication of e-payment scrolls provided to PAOs by the banks.

Submission of Bill: The Drawing and Disbursing Officers (DDOs) submit bills for e-payment along with mandate form and details of payee viz. IFSC Code of Bank Branch, A/C Number, Name, Address, etc., to the Pay & Accounts Officer (PAO). A token number is generated from COMPACT and communicated to DDO.

Bill Processing: The bills are processed in the Pay & Accounts office in COMPACT System.

Digital Signatures: Once the bill is passed by the PAO, it is digitally signed using the secure I-Key and e-payment authorization is generated by the system.

Uploading authorization on GePG: The e-payment authorization file (e-advice) is uploaded on the GePG in a secure environment. Concerned banks download the e-advice from GePG and after necessary verification of digital signature etc, the bank would credit the beneficiaries' account using CBS/NEFT/RTGS as applicable.

e-Scrolls: A digitally signed electronic scroll is generated and uploaded by the bank on GePG for all successful e-payments. e-Scrolls are downloaded by the PAOs and incorporated in the COMPACT system for reconciliation and other MIS purposes.

Advantages of e-payment

- Saving in time and effort due to online fund transfer using digitally signed unique e-authorization ID.
- Secure mode of payment.
- Transparency in payment procedure.
- Elimination of physical cheques and their manual processing.
- Elimination of constraints of manual deposit of cheque by the payee into his bank account.
- Enhancement of overall payment processing efficiency.
- Online auto-reconciliation of payments.
- Efficient compilation of accounts.
- Complete audit trail of transactions at all level.

PUBLIC FINANCIAL MANAGEMENT SYSTEM (PFMS)

Public Financial Management System (PFMS) initially started as a Plan Scheme named CPSMS of the erstwhile planning commission in 2008-09 as a pilot in four states of Madhya Pradesh, Bihar, Punjab and Mizoram for four Flagship schemes e.g MGNREGS, NRHM, SSA and PMGSY. After the initial phase of establishing a network across Ministries / Departments, It has been decided to undertake National roll-out of CPSMS (PFMS) to link the financial networks of Central, State Governments and the agencies of State Governments. The scheme was included in 12th Plan initiatives of erstwhile Planning Commission and Ministry of Finance. Presently PFMS is the scheme of Department of Expenditure, Ministry of Finance and being implemented by O/o Controller General of Accounts across the country.

2. As per MoF, DoE, OMNo.66 (29) PF-II/2016 dated 15/07/2018, Hon'ble Prime Minister has emphasized the need for improved financial management in implementation of Central Plan Schemes so as to facilitate Just-in-Time releases and monitor the usage of funds including information on its ultimate utilization. The Public Financial Management System (PFMS) is administered by the O/o controller General of Accounts in the Department of Expenditure which is an end-to-end solution for processing payments, tracking, monitoring, accounting, reconciliation and reporting. It provides the scheme managers a unified platform for tracking releases and monitoring their last mile utilization.

3. In order to abide by the directions to implement Just-in-time releases and monitor the end usage of funds, it has been decided by Ministry of Finance to universalise the use of PFMS to cover all transactions/payments under the Central Sector Schemes. The complete monitoring of these schemes require mandatory registration of all Implementing Agencies (IAs) on PFMS and mandatory use of Expenditure, Advances & Transfer (EAT) module of the PFMS by all IAs. The Implementation Plan covers the complete universe of Central Sector Schemes, which inter-alia requires the following steps to be taken by each Ministry/Department:-

- (i) All central schemes have to be mapped /configured and brought on the PFMS platform.
- (ii) All Implementing Agencies (IAs) receiving and utilizing funds needs to be mandatorily registered on PFMS
- (iii) Usage of PFMS modules has to be made mandatory for all registered agencies for making payments, advances and transfers
- (iv) All Departmental Agencies incurring expenditure in respect of Central Sector Schemes must register and compulsorily use the PFMS Modules
- (v) All Grantee Institutions have to adopt PFMS modules for making Payments/Transfers/Advance from Grants received from the Central Govt. This will enable generation of on-line Utilization Certificates for claiming funds from the Central Government
- (vi) Ministries has to take an action for integrating their respective systems/applications with the PFMS

4. The Central Project Monitoring unit (CPMU) of PFMS (Shivaji Stadium, New Delhi) assists the Central ministries/Departments in registration of Implementing Agencies for the Central Sector Schemes. Thereafter, Ministries are required to deploy/allocate their own resource persons to support Departmental Agencies as well as Grantee Institutions. The full roll-out of PFMS requires fresh assessment of resources, including hardware, software, connectivity and technical resources to facilitate implementation at all levels of hierarchy.

5. It is the duty of Chief Controller of Accounts (CCAs) / Controller of Accounts (CAs) to draw up an Action Plan to facilitate full roll out of PFMS in their respective Ministries in consultation with the Secretary/Financial Advisor of the Ministry concerned.

Modules to implement the Mandate

Other Departmental Initiatives

To leverage the capabilities of PFMS, several other departments have approached PFMS for developing utilities for their departmental need as follows:-

- (i) Interfaces for MHA (Foreigners Division) Monitoring of Agencies receiving fund under FCRA
- (ii) CBDT PAN Validation
- (iii) GSTN bank account validation

Implementation Strategy

An Action Plan has been prepared and approved by Ministry of Finance for phased implementation of Public Financial Management System (PFMS).

Improved Financial Management through:

- Just in Time(JIT) release of funds
- Monitoring of use of funds including ultimate utilization

Strategy:

- Universal roll-out of PFMS which inter alia includes
- Mandatory registration of all Implementing Agencies (IA) on PFMS and
- Mandatory use of Expenditure Advance & Transfer (EAT) Module of PFMS by all IAs

I. Implementation Strategy for Central Sector (CS) schemes/transaction

Activities to be completed

- Mandatory registration and use of EAT module by IAs
- Mapping of all relevant information of Schemes
- Uploading of budget of each scheme on PFMS
- Identify implementation hierarchy of each scheme
- Integration of System Interface of specific schemes with PFMS e.g. NREGASoft, AwasSoft
- Deployment and training of trainers

II.Implementation Strategy for Central Assistant to State Plan (CASP)

Activities to be undertaken by states

- State Treasury Integration with PFMS
- Registration of all SIAs on PFMS (1st level and below)
- Mapping of state schemes with corresponding central schemes
- Configuration of State schemes on PFMS
 - Configuring State Schemes components
 - Identify and configure hierarchy of each state scheme

- Integration of PFMS with schemes specific software application
- Deployment and training of trainers
- Continuous support for implementation

At present, all 14 (Fourteen) Pay & Accounts Offices of M/o Information & Broadcasting (including 06 PAOs of Prasar Bharati) are functioning successfully on PFMS. All payments are routed through PFMS and e-payments being directly credited to the beneficiary's account.

Employees Information System (EIS) Module:

This is part of PFMS system and has the complete employee's information relating to generation of salary bill. This generates the salary bill and the necessary schedules for GPF, Income Tax, and Interest bearing advances like HBA, MCA, and OMCA etc.

The Dearness Allowance is automatically updated and so is the annual increment. This is functional in two PAOs {i.e. PAO (MS) and PAO (DAVP)}

Non Tax Receipt Portal (NTRP):

- The objective of Non-Tax Receipt Portal (NTRP) is to provide a one-stop window to Citizens/ Corporate /Other users for making online payment of Non-Tax Revenue payable to Government of India (GoI). The annual collection of Non Tax Receipts of Government of India is over Rs.3 (three) lakh crores.
- Non-Tax Revenue of Government of India comprise of a large bouquet of receipts, collected by individual departments/ministries. Primarily these receipts come from Dividends, Interest receipts, Spectrum charges, RTI application fee, purchase of forms/magazines by students and many other such payments by citizens / corporate/other users.
- The online electronic payment in a completely secured IT environment, will help common users/citizen from the hassle of going to banks for making drafts and then to Government offices to deposit the instrument for availing the services. It also helps avoidable delays in the remittance of these instruments into Government account as well as eliminates undesirable practices in the delayed deposit of these instruments into bank accounts.
- NTRP shall facilitate instant payment in a transparent environment using online payment technologies such as Internet Banking, Credit/Debit Cards.
- NTR Portal in M/o Information & Broadcasting is functional from 1st November 2016.
