

## SOUTH YARRA PRIMARY SCHOOL ANNUAL REPORT DISTRIBUTION STATEMENT

An important part of engaging the school community in the annual reporting process is ensuring that the Annual Report is made available to members of the school community.

### COMMUNICATION

Each year, South Yarra Primary School Council conducts a public meeting to present the school's Annual Report to the community.

Under the Commonwealth's *National Education Agreement*, the annual report is required to be published on the internet. In order to ensure Victoria's compliance with these requirements, the VRQA State Register provides a means for all Victorian schools to publish their annual report online to parents.

South Yarra Primary School also publishes the Annual Report on the school website.

The Victoria Department of Education and Training manage the process of submitting these reports to the VRQA for their respective schools.

This statement regarding the South Yarra Primary School Annual Report appears on the school website.
