Promotional Questionnaire

World Scientific is pleased to be associated with the publication of your book. As the author, you are the best source of information about yourself and your book. The information provided in this questionnaire will form the basis of the material for the promotion of your book. It is therefore very important that you be as detailed and thorough as possible in completing this form.

This Promotional Questionnaire will complement and supplement the Publication Proposal Form (PPF) that you may or may not have sent to us earlier. If information here duplicates that already in the PPF, and it is still applicable, you may indicate with "Refer to PPF". Please attach additional sheets if you need more space.
