San Marcos, Texas 78667

Dear Mr. Cochran,

I would like to take this opportunity to acknowledge receipt of the generous donation from the Texas Water Safari to assist the Feed My Sheep Program, which is part of the ministry of the First United Methodist Church of Seadrift. It is our understanding that the funds are to aid in recovery of our community after Hurricane Harvey.

Our community is slowly getting back on its feet and your donation enables us to continue to have funds not only for the food distribution program for individuals and families with limited incomes, but also to expand additional support services. The Feed My Sheep Program currently partners with the local school to support their weekly Kid's Back Pack project. This project helps to provide needed items to children which have limited resources at home, some of which have been displaced due to Hurricane Harvey. We are also currently working to organize and support a Men's Community Breakfast. Your donation will assist us to offer a free breakfast and/or funds for targeted services or repairs for someone in need in the community, which would be completed by the group.

We thank the Texas Water Safari for investing in our community and look forward to seeing your group at the bay front this next summer.

Sincerely,

Patricia Massey
