D. Additional comments: *I would also like to add or share...*

- I hope this session translates into positive action by our city government. Often times people participate in these sessions but nothing results from it.
- Great! I look forward to seeing actionable items and how they are implemented or followed up on. Thanks!

- How does local government help in respectful as well as civic sway to assist property owners in maintaining, and protecting private property from nearby public use?
- Good Breakfast
- I want to maintain the small town rural feel to the community while trying to clean up and maintain some of the properties better.
- Good session. Thank you to the facilitators, MB Lodge and for the breakfast. I appreciate it!
- The Health Department should be more involved!
- Community Meetings on a regular basis
- Well done guys!
