

Standard Electricity Prices for Customers on the Standard Large Customer Retail Contract

These charges apply to *large market customers* that have not entered into a *negotiated retail contract* and are deemed, under the Electricity Act 1994 (QLD), to be on a standard large customer retail contract with Origin Energy Electricity Limited ABN 33 071 052 287 or Sun Retail Pty Limited ABN 97 078 848 549 in respect to premises located in QLD:

You will be billed one the following charges for each *NMI* at the *premises* covered by the *standard large customer retail contract*. The charges will vary depending on your customer classification, meter type and network tariff.

Your tariff name can be found on your electricity bill.

Prices effective 01 July 2018.
