To Whom It May Concern,

It has always been our desire to make a tangible and lasting impact on our city. From the start, our vision was to start a church that serves and blesses the city. A significant part of that vision is establishing a community center that will serve as a hub for our city impact efforts.

We have an opportunity to see this vision take shape. Our church family and friends have stepped up in a big way, enabling us to take possession of a 4,500 square foot facility that we are currently preparing to begin holding services for our church family and raise the necessary funds (\$22,000) to prepare the facility for all of our ministry and outreach efforts. We will remodel the facility and create children's environments that foster and atmosphere of creativity, inspiration, love and acceptance.

Our mission is to "Connect the disconnected to the reality of life in Christ". This mission is a mandate for us to bring the tangible love of God to everyone, at their point of need. We will house tutoring programs, entrepreneurial training, teach english as a second language, offer a food pantry, begin a school of ministry, offer workshops for parenting, marriage enrichment, career development, personal finance, business development, creative arts programs, house our worship services, youth and children's programs and so much more.

The goal is to impact people and bless the city. The building is a tool to help us do that. Would you please give your most generous gift toward this vision and partner with us in impacting our city?

Thank you in advance for your support.

Humbled by your generosity,

Victor Montalvo
Lead Pastor

P.S. If you would like to give via check, please make the check out to Reality Community Church. If you would like to give online, please go to our online giving page and select building fund. All gifts are tax deductible. (<https://realitycommunitychurch.cloverdonations.com/give/>)
