Feedback Questions:	
1. Were you satisfied with the checkout process? If no, what could be changed?	
2. Were the instructions for setting up the equipment clear and easy to follow?	
3. Do you have any questions about how to use the equipment or the data collected effectively?	
4. If you downloaded the data and/or e-mailed it to MORPC, did you have any problem doing so?	
5. Do you have any other comments or concerns we should know about, such as other equipment we should acquire, or other improvements we could make to the equipment library?	

Questions? Please contact Jennifer Noll at jnoll@morpc.org or (614)233.4179.
