

Personal Property Liability Release Form

I, _____ agree to let _____
Name of parent or guardian (print name) **Name of student (print name)**

bring their personally owned computing device for instructional use at Highland Ranch Elementary School (HRES). I understand that the student named above will be permitted to use their personally owned device, subject to the conditions in the ***Student Internet Use Guidelines/Agreement*** document.

I understand that if I agree to allow my child to use their own device that HRES is not responsible for any personal device or data loss, theft, damage or other associated costs of replacement or repair incurred on the personal device during the school day or at home. I understand that the staff at HRES will be unable to support or troubleshoot student owned devices. The student named above will take full responsibility for the device and will appropriately secure all devices when not in use.

HRES uses technological measures such as filtering (through the Poway Unified School District's security system) to promote internet safety. Filtering limits students' ability to access harmful internet sites from any device connected to the HRES network, but only when this equipment is used in school on the HRES' network. Access through cellular networks does not provide the same measures of filtering. Students should only use the HRES network (not private cellular service) for internet access while on HRES property.

I have verified my child is aware that all aspects of the Poway Unified School District's ***Student Internet Use Guidelines/Agreement*** also apply to the use and care of their personal device while on Highland Ranch Elementary School property or while involved in any HRES sponsored event/activity.

I understand that the purpose of allowing my student to use their own device is to participate in teacher-approved activities in support of Highland Ranch's curriculum. Uses of these devices for unrelated activities beyond or outside the HRES educational program are prohibited, while on HRES property.
