

Deep-C Post-Internship Survey (for Undergraduate Students)

Dear Deep-C Undergraduate Intern,

We are collecting data from all interns associated with the Deep-C program. This survey should take approximately 15 minutes to complete. The results of this survey will be used for reporting purposes to the Gulf of Mexico Research Initiative and program evaluation.

We thank you for your time and cooperation.

Contacts and Questions:

The researcher collecting this data is Brittany Pace and is under the supervision of Tracy Ippolito, Deep-C Coordinator. Please feel free to contact either party with any questions or concerns.
