

DONATION POLICY

The Copper Onion Restaurant Group is proud to be partnered with several organizations supporting children, health and welfare, diversity, and education and arts. The Copper Onion holds a long tradition of support in our community in which it operates.

If you would like The Copper Onion to consider donating to your organization, please submit a completed Donation Request Form and a letter stating the purpose of the request on the Organizations Letterhead.

Direct telephone calls are not necessary and may delay the process.

Completed Donation Request Forms along with the Statement of Purpose must be submitted a minimum of four weeks prior to the event date.

The donations committee meets each month to review all completed requests, and letters of acceptance/denial are sent out no later than the 15th of the following month.

Due to the overwhelming volume of requests that we receive, we regret that we are unable to fulfill them all.

Thank you,

Donation Committee
