How did you hear about this workshop?

Did the workshop meet your expectations? If so why? If no, why not?

How will information gained in this workshop change/influence what you teach or how you teach?

What plan do you have to share information gained in this workshop with colleagues in your school corporation?

What other workshops would you like to see offered in your area?

What were the strengths of the workshop?

How could the workshop be improved?

Should USI host a follow-up meeting in late fall to discuss ongoing efforts to strengthen STEM-related courses in your school corporations? If so, please list others in your own school/corporation who should be invited to this meeting, to ensure that your efforts to strengthen STEM coursework are supported.
