

LETTER FROM CHARITY TO DONOR

(For use in all jurisdictions except Illinois, Washington, and Wisconsin)

Dear _____:

Thank you again for your generous donation to our charity. As you know, in return for your donation, we have issued, or will issue, a charitable gift annuity to you with _____ as annuitant(s) and which provides payments to you (or your designated payee). We wanted to let you know that, in order to help support our obligations to you under this charitable gift annuity, we are buying an annuity from New York Life Insurance and Annuity Corporation with _____ as annuitant(s). We are providing New York Life with the personal information of the annuitant(s) that is necessary in order for our charity to buy the annuity. Please be assured that our purchase of an annuity from New York Life is solely an agreement between New York Life and us, and in no way changes our contractual obligation to you under the charitable gift annuity.

Should you have any questions or concerns, please contact me at (xxx) xxx-xxxx.

Sincerely,
