

Student/Teacher Confidentiality Agreement:

_____ will respect and maintain the confidentiality of each student. This will be the case unless I am ethically or legally obligated to limit confidentiality. An example of this would be if a group member threatened to cause harm to him-or herself or another group member.

Also, as a group member, one agrees to maintain the confidentiality of fellow group members. This means that all discussions, activities, etc. that take place during group meetings will not be talked about outside of the meetings, or to anyone not participating in the group.

I have read, understand, and agree to the above information.
