QUESTIONNAIRE FOR FOUNDRY CONSULTANTS / SERVICES

1. NAME OF ORGANISATION:

3. ADDRESS:
.....

Phone:..... Fax:..... Mobile:.....

Email: Website:

3. YEAR OF ESTABLISHMENT:

4. MANPOWER: Admin Technical Total

5. QUALIFICATIONS:

6. EXPERIENCE:

7. TOTAL ANNUAL TURNOVER (in Rs. Lakhs): 2010-11..... 2011-12.....

8. SPECIALIZATION: (please tick as applicable)

Project Engineering/Project Management:

Feasibility Study / Detailed Project Report / Basic & Detailed Engineering / Turnkey Supply

Market Study/Survey on:

Domestic Market / Export Market / Prospective New Products

Design & Engg. of Foundry Equipments: (please tick as applicable)

Comprehensive Plant Layout / Cupola/Rotary/Induction/Arc/ Ladle Refining Furnace / Sand Muller/Mixer/Intensive Sand Mixer/Integrated Sand Plant/Moulding Machine/Core Making Machine / Material Handling Equipment/Centrifugal Casting Machine/Low Pressure/High Pressure Die-casting Machine/Core Shooter etc. / Heat Treatment Furnace / Fettling & Finishing equipment / Pattern Making equipment / CAD/CAM

Production Engg. (Methoding & Trouble Shooting)**Type of Casting**

Grey/Alloy Iron / S.G./Malleable Iron / Steel/Mn Steel/Stainless/Alloy Steel / Non-Ferrous Castings (Al/Cu/Zn etc.)

Process

Pattern making CAD/CAM / Melting / Sand Preparation / Moulding/Core Making / Fettling & Finishing / Machining / Sand Casting / Green Sand/No-bake / Gravity / Pressure Die-casting / Centrifugal Casting / Investment Castings / Foundry Software design & supply / others, pl. specify

Energy Audit

Melting / Moulding / Heat Treatment / Fettling Shops

Pollution Control

Monitoring of Pollutant/emission on the equipment / Equipment designing for Air/Water Pollutants

Quality Assurance/TQM/ISO 9002 Certification

To undertake study/Training for Quality system accreditation in the existing unit to highlight the areas required for modification to achieve quality / To undertake service for Total Quality Management

Research & Development

Detailed investigation on development and properties of input materials/Consumables/Cast Products

Management Consultant

General Advice on factory Management / Time and motion study

Placement Services

Selection of personnel for specific areas of Foundry Technology

Major Work done & list of Clients in last 3 years:**9. PLEASE INDICATE YOUR PREFERENCE REGARDING NEW FOUNDRY DIRECTORY:**
