IDEAS

Later in this pack there is an A-Z of fundraising ideas but please do contact us with any ideas you might have. We are more than happy to chat through them with you. We always love to hear new, imaginative ideas.

You don't need to run a marathon, climb a mountain or jump out of a plane (though you can if want to of course!) but the fundraising you do can bring real benefits.

A Mum wrote to us recently after she completed a sponsored run:

"I'm really pleased I can give something back. Running for Unique has given me a whole new lease of life.... and I've lost a few pounds as well".

WHO WE ARE

Unique is the UK's only registered charity for families affected by rare chromosome disorders. We provide information and support to anyone affected and work to raise public awareness.

Rare chromosome disorders involve missing, extra or rearranged genetic material on one or more of a person's chromosomes. Many of those affected are born sick and disabled, unable to walk or talk but others only find out they are affected when they come to have children of their own. Their rarity means that information about the disorders is scarce and medical professionals may not have the knowledge or understanding to answer the many questions families have. That's where Unique comes in.

As a small charity Unique receives no government funding and relies heavily on the support of its members, their friends, families and colleagues, donating generously and going the extra mile to raise funds we need to go on helping families affected by rare chromosome disorders.

If you're reading this it may be because you would like to do some fundraising yourself, organise an event with your friends, secure funds for Unique from your employer, make a donation or even have an idea to raise funds that you'd like some help with. We'll support you in whatever way we can.

THANK YOU & GOOD LUCK WITH YOUR FUNDRAISING.

Without you there would be no Unique.

FACTS ABOUT UNIQUE

Everyone likes to know their money is going to a good cause so as part of your fundraising you might want to let people know who we are and what we do. Here are some facts:

- Unique was established in 1984 with 5 families. Now in 2016 we support over 15,000 affected individuals and their families.
- 1 in every 200 babies born has a rare chromosome disorder. Many are born sick and disabled.
- Our telephone and email 'listening ear' helpline is a lifeline to many families.
- We now support families in over 100 countries.
- We've produced 150 medically-verified information guides, both on specific disorders and practical guides including sleep, education, holidays, feeding and others.
- Our family matching service links hundreds of families every year who are facing similar clinical or practical problems for mutual support and to share tips and information.
- The specialist Unique database contains the case histories of over 15,000 affected patients, detailing lifetime effects of a huge number of rare chromosome disorders.
- We run conferences, regional family days and study weekends, bringing together families and professionals to increase our collective knowledge about rare chromosome disorders.
- The Unique magazine is produced 3 times a year. It's packed full of letters from families, resources, sources of help and information.

Often the charities are chosen by staff, either through a vote or just by nomination. Why not find out if your employer has a scheme like this and consider nominating Unique?

Some of the ways in which corporates support charities are:

- * Make a donation
- * Match funding
- * Charity of the Year

COLLECTIONS

If you would like to collect for Unique, you might find the below helpful:

Street collections

If you are looking at holding a collection in the street you will need to obtain a licence from your local authority.

Private collections

If you are planning a collection in a private place such as a shopping centre or railway station you will need to get permission from the owner or manager.

Public Collections

The safety and security of anyone collecting for Unique is of paramount importance. Collections in public places require special permissions, including local authority licences and often require relevant insurance to be in place. If you are thinking of holding any type of public collection, include street collections, please contact us before doing so.

Collections in private places or on private land (including shopping centre's for example) also require permission from the relevant owner or appointed manager. Again, please contact us before going ahead.

Unique collection boxes

Have you ever wondered what to do with your spare change? Why not get one of our collection boxes and use it at home or work. The collection boxes are small so don't take up much room and you'd be amazed at how much you can raise over a short space of time. Please contact craig@rarechromo.org if you are interested in having one sent.

CELEBRATIONS

Lots of Unique families have made us part of their celebrations by asking people to make a donation rather than buying them presents. Some recent ideas include:

- Christenings, birthdays and other family parties
- Special anniversaries (30, 40, 50 years married)
- Weddings, especially asking for donations instead of giving out wedding favours

If you are a member of any local clubs or societies, they might want to support us too as many do fundraising and make charitable donations. Examples include:

- Rotary club, Round table
- Women's Institute
- Slimming and sports clubs such as a local golf club
- Brownies, Scouts etc

SETTING UP AN ONLINE FUNDRAISING PAGE

Online donation websites:

Online donation websites are a great way to raise money. They are free, easy to use and they take away the hassle of collecting the sponsorship money. It is donated automatically to Unique. Once you've created your page you can share it with friends, family and colleagues via a link.

Our preferred supplier is Virgin Money Giving but if you prefer, you can set up a page on Justgiving or BT Mydonate.

Go to the website, www.virginmoneygiving.com

- Click on Fundraising
- Select the type of event you are taking part in and go from there.
- Search for Unique as the charity you'd like to support.

JustGiving™

Go to www.justgiving.com

- Click on Fundraising
- Enter your email address, your personal information and secret password
- Select an organised event or choose a type of event

From our experience, it helps if you add a photo and write about why you are fundraising for Unique. Think about what has inspired you to take part and what you hope to get out of the experience. Supporters love a personal story. In the lead up to the event, don't be shy about emailing people and posting on your social media pages, reminding them of your fundraising and directing them to your online giving page.

The Fundraising Team are very happy to help you set up your page up if you need assistance. We can provide appropriate wording about Unique but the personal touch definitely works best.

We have sponsorship forms for those who prefer to sponsor you that way rather than online. If using a sponsorship form, please do remind people to tick the Gift Aid box and to use their personal address NOT their work one.

DONATE TO UNIQUE

If you would simply like to donate to support the work we do in helping families you can do so by visiting our website <http://www.rarechromo.co.uk/html/DonateNow.asp>

Alternatively you can send us a cheque made payable to Unique to:

Unique, The Rare Chromosome Support Group

Please do gift aid your donation if you can (see page 12 for more details).

TEXT DONATIONS

Donate direct from your mobile. Just text **UNIQ11** followed by a space and the amount you wish to donate (£1, £2, £3 up to £10) to **70070**. If you wanted to donate £5 for example, you would send: UNIQ11 £5 to 70070. You will then receive a confirmation message.

REGULAR GIVING

Unique makes no charge for its services or for membership so making a regular donation helps us to secure our vital frontline services for the future.

If you would like to set up a standing order, please contact Jenny Knight, Unique's Finance Officer at jenny@rarechromo.org

A very simple way to make a regular donation is through Give As You Earn (GAYE). It's a scheme run by different companies whereby regular donations come from your salary before tax. Ask your employer if they are registered for GAYE, if not, it's very simple and the fundraising team are very happy to help.

LEAVING A LEGACY

Leaving a legacy to Unique helps us invest in our future. Different types of legacies include:

Living Legacy – a Living Legacy is given before someone dies often at the time of making their own will.

Pecuniary Legacy – is a known sum of money stated in a Will.

Residuary Legacy – is a percentage from an estate agreed after all other requests have been carried out.

We appreciate that making a will is a very personal matter. We are however here to help with any questions you might have.

GIFT AID

giftaid it

For UK taxpayers only, you can boost your donation by at least 25p for every £1 you donate. Higher rate tax or additional rate taxpayers are able to reclaim the difference between the basic and higher rates on top of this. These taxpayers can choose whether to claim the extra tax relief through self assessment or donate this extra tax to the charity too. Gift Aid is reclaimed by Unique directly HM Revenue and Customs and is funded by the tax you have already paid. We will require your name and full postal address which is to identify you as a current UK taxpayer. You can download a Gift Aid form from the Unique website, or ask us for one.

If you are undertaking a sponsored event, your supporters won't need to give more than they intended, they would simply need to be a UK taxpayer and tick the Gift Aid box or complete the details on the sponsorship form when sponsoring you.

AWARENESS WEEK

Chromosome Disorder Awareness Week is a week where we encourage all our members and health professionals, their friends, families and colleagues to help spread the word about chromosome disorders. In 2016, it will run from **Sunday 12th to Saturday 18th June**.

Last year we were overwhelmed by the support we received, we had people fundraising and awareness raising all over the world. Join us this year and help make Chromosome Disorder Awareness Week 2016 the biggest yet. **Let's 'Shine Bright Together'**

Please look on our website, Facebook and Twitter pages for further details nearer the time to find out how you can get involved.

THANK YOU.
