

Course Audit Request

Audited courses:

- Receive a grade of X, which carries no grade points or semester hours of credit
- Do not serve as prerequisites for subsequent coursework
- Cannot be used towards degree or certificate graduation requirements
- Are not eligible for Financial Aid

The fee for auditing a course is the same as enrolling for credit.

The deadline to request auditing a course is the last day to drop and receive a refund. The exact date for each class will vary. Please refer to your schedule in myStudentCenter for exact dates. Requests to change a course from audit to graded must be made by the same deadline.
