

SERVICE DELIVERY SURVEYS: SURVEY FOLLOW-UP

~follow-up form for informing and planning AAC service delivery based on survey feedback~

Thank you very much for participating in the survey.

Learning More About the Device or System(s)

You indicated you would like more training in the following manner:

- During instructional time (just show me)
- Brief group meetings (home/school/program)
- Trainings materials (webinar, manuals)
- 2-3 trainings or more

Action:

Learn to be a Better Communication Partner

You indicated that you use the following partner strategies:

- Not interested
- I give visual and verbal prompts to elicit communication
- I mostly rely on choices and yes/no questions
- I interact by modeling with the communication system(s)
- I plan activities using specific vocabulary to create opportunities
- I pause or wait but rely on the user to communicate independently

Action:

Hurdles to Being a Better Partner

You indicated the following:

- Not enough time
- Strategies aren't working well
- I don't know how to partner well
- I need more training and support

Action:

Team Communication

You indicated that communication was:

- Not clear or frequent enough
- Adequate
- Interferes with my duties

Action:
