

The Department of Spatial Sciences  
Offers  
Degrees in the areas of  
Surveying,  
Mine & Engineering Surveying  
And  
Geographic Information Science

We thank you for your attendance today

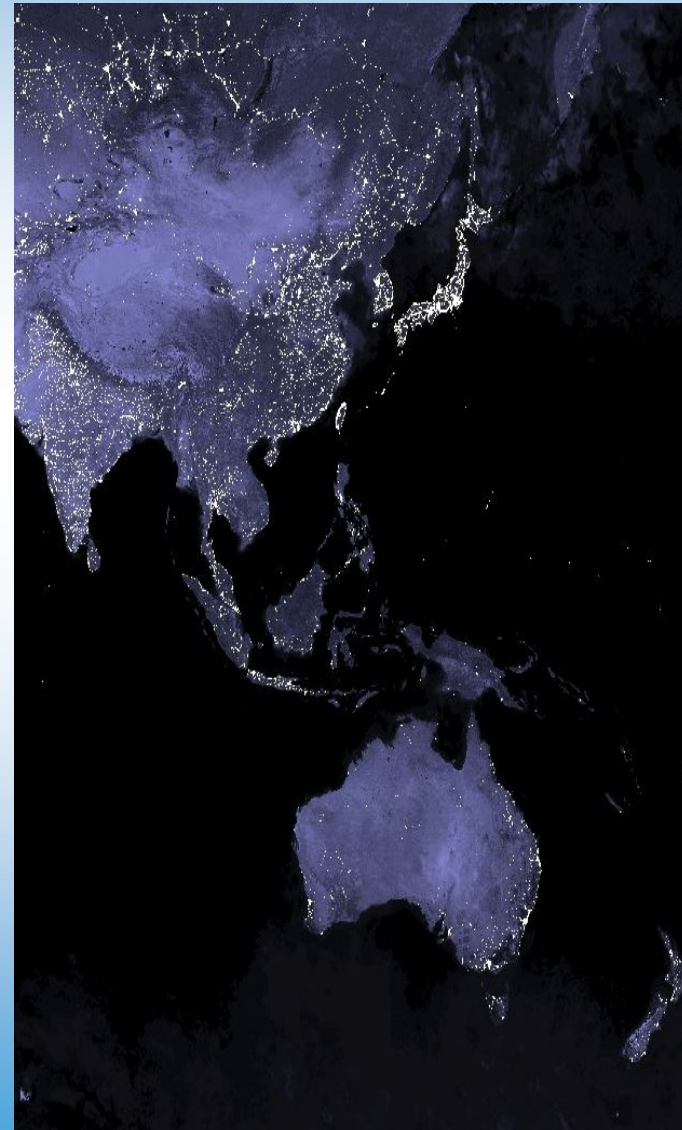

Please join us in

The "HUB" Chemistry and Resources precinct,  
For finger food & refreshments

Make tomorrow better.

Event  
Program  
2017

Spatial  
Sciences  
Awards  
Ceremony

31 May 2017

**AAM Pty Ltd. Prize** - awarded for outstanding work to the student community.  
**Travis Bruning**

**C R Kennedy & Co Pty Ltd Surveying Prize** - awarded to the best first year student in the Bachelor of Surveying program. **Oliver Robertson**

**Spatial Information and Cartography Commission Award for Excellence** Surveying and Spatial Sciences Institute (WA Region) awarded to the best first year student in the Bachelor of Science (Geographic Information Science) program. **Harvey Chen**

**RICS** (WA Division) - awarded to the best second year student in the Bachelor of Surveying program. **Sin Lam Lei**

**C W A Lewis Memorial Award** – donated by the Surveying and Spatial Sciences Institute (WA Region), Spatial Information and Cartography Commission - awarded to the best second year student in the Bachelor of Science (Geographic Information Science) program **Sophia Pellicoli**

**Veris Surveying Student Award** - awarded to the best third year student in the Bachelor of Surveying program. **Cheng Zheng**

**Adam Technology Pty Ltd Prize** - awarded to the best student in the area of photogrammetry. **Matt Jilley**

**C R Kennedy & Co Pty Ltd Mine and Engineering Surveying Prize** - awarded to the best student obtaining the highest aggregated mark in mathematics in the Mine and Engineering Surveying program. **Kyran Carroll**

**Cottage & Engineering Survey Pty Ltd Prize** - awarded to the best student in the subjects of geodesy and global positioning systems **Lewis Walsh**

**"The White Family"**

Celebrating 50 Years of Innovation: WAIT to Curtin

**Veris Spatial Information Services Prize** - awarded to the best student in the field of cartography and mapping. [Sin Lam Lei](#)

**Spatial Industries Business Association (SIBA) - The Ron Holland Memorial Prize**, donated by Spatial Industries Business Association— Western Australia Division – awarded to the best student in the Cadastral Option. [Jan Jurza](#)

**The Tony Pivac Prize** - donated by the Surveying and Spatial Sciences Institute (WA Region) Engineering and Mine Surveying Commission – awarded to the best student in the subjects of engineering surveying and mine surveying. [Matt Jilley](#)

**TechnologyOne Prize** – awarded to the student submitting the best final year project or honours dissertation in the Bachelor of Science (Geographic Information Science) program. [Kaitlyn Dyer](#)

**Hexagon Geospatial Prize** - awarded to the student submitting the best final year project or honours dissertation in the field of remote sensing. [Liam Robinson](#)

**The Christopher Worth Memorial Prize** - awarded to the student submitting the best spatial sciences project in the fields of geological, geophysical or environmental earth sciences. [Anthony Saraco](#)

**LandSurveys - Surveying Prize** - awarded to the student submitting the best final year project or honours dissertation in the Bachelor of Surveying program. [Lewis Walsh](#)

**Survey Results - Mine Surveying Prize** - awarded to the student submitting the best final year project in the Mine and Engineering surveying program. [Alexander Vasile](#)

**ESRI Australia Prize** – awarded to the best graduating student in the field of geographic information science and programming. [Liam Robinson](#)

**The John Cavill Memorial Prize** - donated by the Surveying and Spatial Sciences Institute (WA Region) Land Surveying Commission - awarded to the best graduating student in the area of applied field surveying **Lewis Walsh**

**The John Forrest Prize** - donated by the Surveying and Spatial Sciences Institute (WA Region) Land Surveying Commission - awarded to the dux of the Bachelor of Surveying program. **Lewis Walsh**

**The Lawry White Medallion** - awarded to the dux of the Bachelor of Surveying program. **Lewis Walsh**

**The N S Bartlett Memorial Award** – donated by the Surveying and Spatial Sciences Institute (WA Region) Spatial Information and Cartography Commission - awarded to the dux of the Bachelor of Science (Geographic Information Science) program.  
**Liam Robinson**

**The John Balodis Medallion** - donated by Alan & Louise Flavelle - awarded to the dux of the Bachelor of Science (Geographic Information Science) program. **Liam Robinson**

**Engineering and Mine Surveying Commission Prize** - donated by the Surveying and Spatial Science Institute (WA Region) — awarded to the dux of the Bachelor of Science (Mine and Engineering Surveying) program.  
**Cody Snabel**

**The Department of Spatial Sciences Prize** - awarded to the best student in the Graduate Certificate in Geographic Information Science program.  
**Rhys Lennings**

**NGIS Award for Excellence** – awarded to the best student in the Graduate Diploma in Geographic Information Science program. **Tammi Doyle**

**The D B Johnston Award for Excellence**, donated by Surveying and Spatial Sciences Institute (WA Region) - Spatial Information and Cartography Commission - awarded to the best overall postgraduate student.  
**Dr. Khandu**

**The Department of Spatial Sciences Prize** - awarded to the best student in the Master of Science (Geospatial Science) program. **Aiden Price**

**The WASMA Spatial Sciences Department Academic Medal 2017** - awarded to the student with the highest academic performance from the Department of Spatial Sciences within WASM **Lewis Walsh**

### 2017 Scholarships

**MNG - The McMullen Nolan Group Surveying Scholarship 2017** awarded to the outstanding full time third year students in the Bachelor of Surveying program who has a special interest in an area of digital mapping or cadastral surveying. **Riley Pilcher**

**The Reg Dowson Mine Surveying Scholarship 2017** - awarded to support a student who studies a Bachelor of Science (Mine and Engineering Surveying) at the Kalgoorlie campus, who has demonstrated high academic merit in the Mining and Engineering field of study. **Andrew Bidmead**

**The Department of Spatial Sciences Honours Scholarship 2017:** awarded to assist students undertake and maintain academic progress in a designated Spatial Sciences Honours program. **Jeffrey Ball**
