Open enrollment

You can enroll family members during one of these enrollment periods:

- **July 15–August 31, 2018** for fall term (coverage begins September 1, 2018)
- **December 15, 2018–January 31, 2019** for spring term (coverage begins February 1, 2019)

Family members will be re-enrolled every term, unless the student cancels the family member's enrollment.

Qualifying life events

Qualifying life events allow you to add family members to your plan outside of open enrollment periods. Examples of qualifying life events include:

- A family member loses other health insurance coverage.
- A family member arrives in the country for the first time.
- You have a baby, adopt a child, or become a legal guardian.

You must show documentation of the qualifying event and make any changes to your coverage within 30 days of the event. When you add a family member to your plan, their coverage starts on the first day of the month in which the qualifying event occurred. For more information, see medical.mit.edu/qualifying-events.

Cancellation policy

You cannot cancel coverage for yourself or family members until the next open enrollment period.
