## Workshop on Development of Structure for Action Research

### May 08, 2018

#### Teaching Learning Centre Tezpur University

A one-day Workshop on Structure Development for Action Research was organized by Teaching Learning Centre, Tezpur University on May 08, 2018. The workshop aimed to give an overall idea and structure of action research for teachers. There were 24 participants including Faculty members, Administrator and Research Scholars. For the day long program 2 resource persons were invited, they were Dr. Manashee Gogoi, Head, Dept., of Education, Dibrugarh University and Dr. Mizo Prova Borah, Head, Dept., of Languages, SCERT, Assam. Both the resource persons took all the sessions jointly (schedule of the program is given herewith). In the first session a brief introduction to action research was given where a theoretical aspects of action research was discussed with the participants. It was followed by discussion on recent trends of action research as figured out by the resource persons. Post lunch session was activity session where participants worked in groups about identifying action research problem and preparing a brief write-up. Finally, each group presented their identified problems of action research. The program ended with a brief speech from Prof. Mrinmoy K. Sarma, Director, Teaching Learning Centre, Tezpur University.
