STUDENTS ARE STRONGLY ADVISED TO SEE A COUNSELOR TO ASK HOW PASS/NO PASS MAY AFFECT THEIR ACADEMIC PLANS.

BE ADVISED:

- Each university/college has its own policy regarding courses taken PASS/NO PASS and it is the student's responsibility to verify the PASS/NO PASS policy of the transfer institution.
- Transfer institutions generally require letter grades (A, B, C, D, F) in MAJOR and PREREQUISITE courses.
- Pass/No Pass grades may not be accepted for GRADUATE PROFESSIONAL PROGRAMS.
- No grade is calculated into the GPA; however, a "P" may be interpreted as a "C" and a "NP" may be interpreted as a "Fail" by some transfer or graduate institutions.
- Many universities prefer that English composition and college level Math requirements be taken on graded basis.

I understand that once this petition is filed, I will not be permitted to change my enrollment in the course to receive a letter grade of A to F. P/NP symbol may not be petitioned later to be changed to a letter grade.

Students electing to take classes on a P/NP basis participate in the class as a regular student. If the grade awarded by the instructor is "C" or higher, the course grade is recorded as "P". If the instructor-assigned grade is "D" or "F," the course grade is recorded as "NP".

Units earned on a P/NP basis will not be used to calculate GPA's. However, units attempted for which "NP" is recorded shall be considered in progress probation and dismissal procedures. For questions regarding P/NP, please see an Academic Counselor. Once a petition is filed to take a class as P/NP, no student shall be permitted to change his/her enrollment to receive a letter grade of A to F.
