

2018 Corporate Conservation Partnership Proposal

The Longleaf Alliance is incorporated as a 501(c)(3) nonprofit organization. Our mission is to ensure a sustainable future for the longleaf pine ecosystem through partnerships, landowner assistance and science-based education and outreach.

With the help of our partners and supporters the Longleaf Alliance allocated 85% of income to programs and services last year, a figure that steadily increases and we're quite proud of.

		\$10,000	\$5,000	\$2,500	\$1,000	\$500
