

UNIZULU Biographic Questionnaire

The University of Zululand is committed 'student success' and ensuring that students complete their studies in the prescribed time – record time. In order to achieve this objective, the University has developed and implemented the Biographical Questionnaire that is embedded in the registration process. The questionnaire collects various forms of information such as student and school background which was previously not collected during registration.

These new body of information will assist the University to develop a better understanding of student readiness in line with financial, social and academic development needs. It will assist the University develop tailor-made interventions for student support.

We appeal to all Undergraduate First Time Entering students to complete this information on ITS iEnabler – it is compulsory. Below is the guide on how to complete the Biographic Questionnaire.

NB: We also appeal to all academics; student councillors and “peer helpers” to encourage the First Time Entering students to complete questionnaire.
