

# *Brooks School Yearbook*

2016-2017

Dear parents,

I am writing to you as the faculty advisor for the yearbook at Brooks. Below, please find answers to some frequently asked questions about the yearbook:

- All Brooks students receive one yearbook at no cost.
- Additional yearbooks can be purchased for \$100.00
- Graduates will receive their yearbooks at home (sent directly from the printer). Current members of the student body will pick up theirs on campus.

All parents are invited to purchase ad space in the yearbook to include a message or photos. These messages can be silly or serious — how you celebrate your child's year at Brooks is up to you. You might send a message to your child specifically, or to a group of their friends/teammates. Typical examples include: wishing good luck to a graduating sixth former, noting “nice job” to the field hockey team, offering congratulations to students in the winter musical, and even well wishes to a specific dorm, advisor or teacher.

The deadline for purchasing ad space and submitting all materials is May 1. Instructions are detailed on the following pages.

If you have any questions, please contact me. I am happy to help in making the 2017 yearbook a wonderful remembrance of your child's experience at Brooks!
