

How to Make a Video On Google Classroom

Step 1: Sign In With Your Account

A screenshot of a Google sign-in page template. The page is white with a light blue border. At the top center is the Google logo. Below it is the text "Sign in" and "Use your Google Account". There is a text input field labeled "Email or phone" with a blue border and a cursor. Below the input field is a link "Forgot email?". Further down is the text "Not your computer? Use Guest mode to sign in privately." followed by a link "Learn more". At the bottom left is a link "Create account" and at the bottom right is a blue button labeled "Next". At the very bottom of the page, there is a footer with the "TEMPLATE.NET" logo on the left, a language selector "English (United States)" in the center, and links for "Help", "Privacy", and "Terms" on the right.

Go to classroom.google.com and log in using your verified and non-restricted G Suite or personal Google account. If you do not have your own Google account, you can create a new one by visiting Google.com. If you are using a school account, you can ask the administrator or principal if there are any changes.

Step 2: Create an Assignment

To create an Assignment, go to the Classwork tab which you can easily locate on the top of your screen. Click Create and choose Assignment on the drop-down menu.

Step 3: Add a Video Attachment

When you create the Assignment, enter important details first such as the title, instructions, grading points, and rubrics. Then click the paper clip image which you can find below the instruction box to attach your file. You can also locate the video by clicking the Google Drive image.

Step 4: Assign the Homework

When you are done uploading your video file, you can assign your homework instantly. You can also choose to Schedule the assignment instead, or save it as a draft if you still have other instructions you want to add.

Can I upload a video in Google Classroom on my mobile?

Yes, you can upload a video directly to Google Classroom using your mobile or tablet. All you have to do is click the paper clip image on the Assignment tab and click Record Video.

Why can't I view the video on Google Classroom?

Make sure that your gadget is compatible with the latest version of Google Classroom. This allows you to use all of its functions fully and be able to access files with ease, including videos. You can also check your Internet connection as you might have WiFi or data issues.

I am unable to download the video on my assignment in Google Classroom?

You might be experiencing some technical issues. If you cannot download a video, this might also be due to the fact that the videos are non-downloadable on your gadget.
