

Email Newsletter Sizes

Email newsletters sizes come in different varieties, all of which pertain to a certain topic that is of common interest to its recipients. As some readers may have a lot of other emails in their inboxes, you need to create a newsletter worthy of their time, one that is direct to the point and not too lengthy.

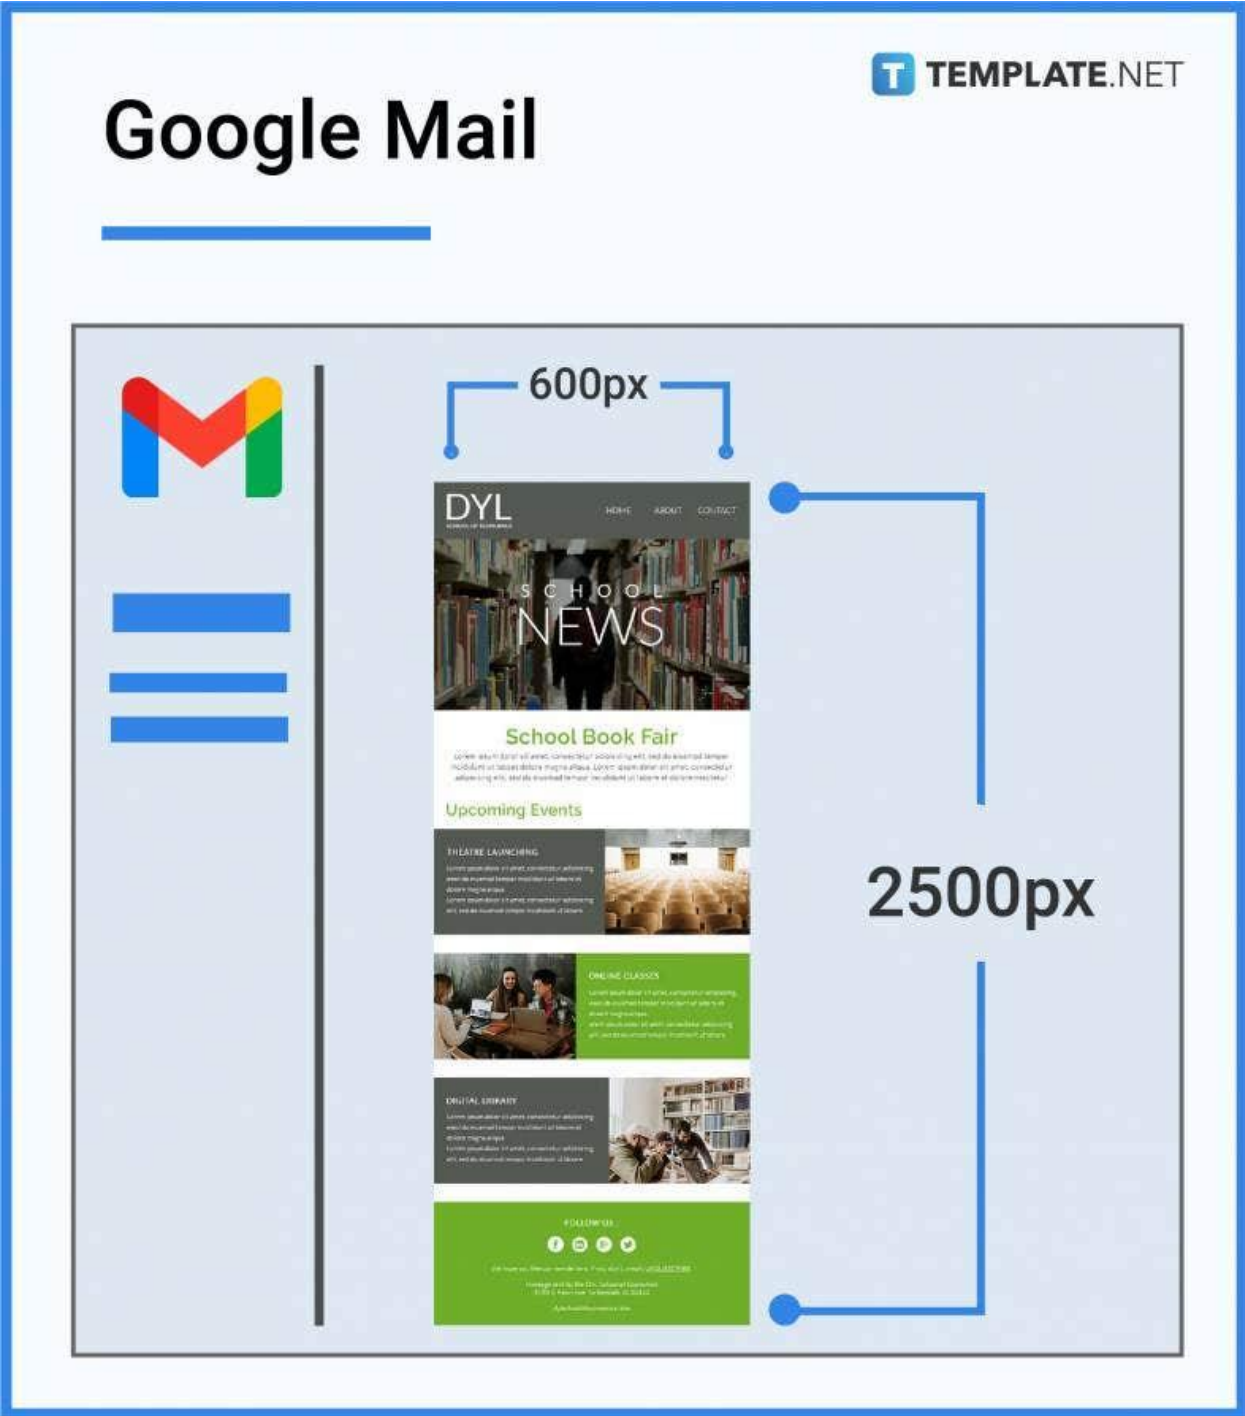

Email Newsletter Sizes Standard

- Width – 600 pixels to 700 pixels
- Height – 1500 pixels to 3000 pixels
- Email File Size – 170 KB to 1 MB
- Email Banner – 600 x 730 pixels to 700 x 1730 pixels
- Content Block – 800 pixels to 1200 pixels

Email Newsletter Sizes for Digital – Email Platforms

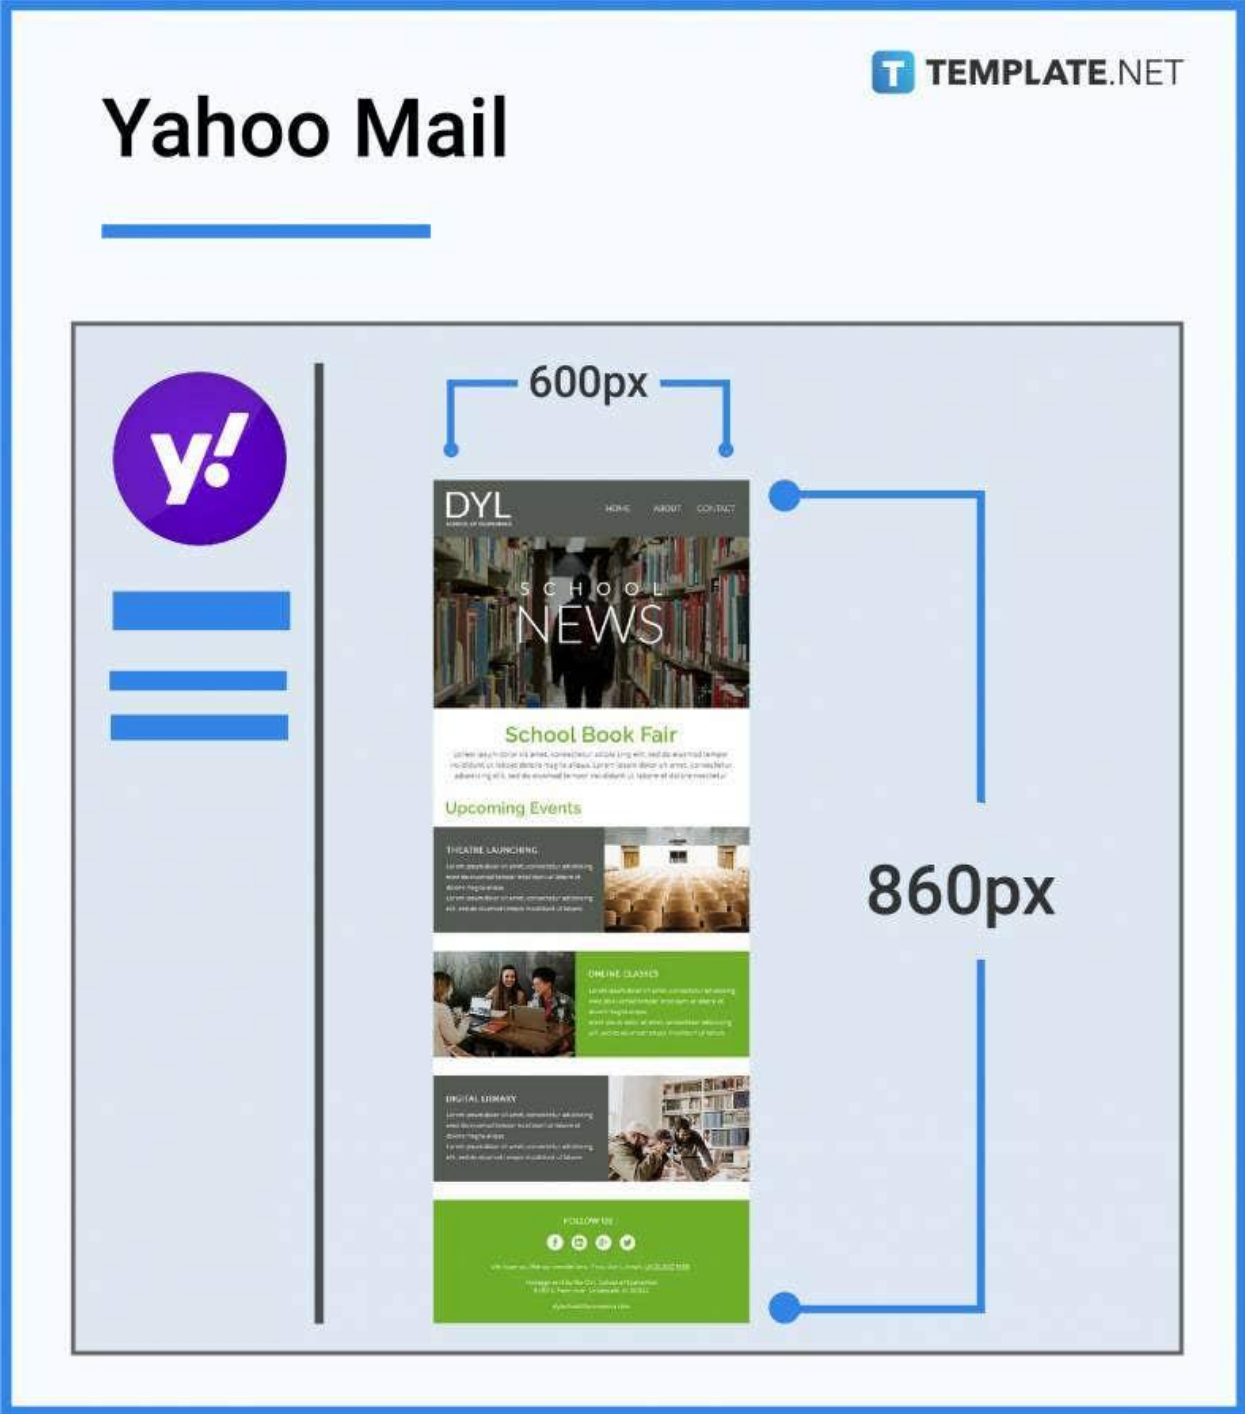

Google Mail

When using Google Mail to send out newsletters, the standard size is 600 px by 2500 px, and the file size should never go beyond 102 KB.

Yahoo Mail

The ideal size of email newsletters when disseminating them using Yahoo Mail is 600 px by 860 px, and the file size should not exceed 100 KB.

Microsoft Outlook

A lot of companies and businesses use Microsoft Outlook to send email newsletters and to create the best size, set the newsletter at a standard width of 600 px to 750 px. The recommended email size is not more than 102 KB.

The diagram illustrates a Microsoft Outlook newsletter template. On the left, there is a vertical sidebar containing a blue Outlook icon, three horizontal blue bars, and a vertical line. The main content area is a newsletter for 'DYL School of Leadership'. It features a header with 'DYL' and navigation links 'HOME', 'ABOUT', and 'CONTACT'. The main content includes a 'SCHOOL NEWS' section with a 'School Book Fair' announcement, an 'Upcoming Events' section with 'THEATRE LAUNCHING' and 'ONLINE CLASSES', and a 'DIGITAL LIBRARY' section. The footer contains social media icons and contact information. A blue bracket indicates a width of 600px for the main content area, and another blue bracket indicates a height of 750px for the entire newsletter content area. The 'TEMPLATE.NET' logo is in the top right corner.

iCloud Mail

For Apple users, iCloud mail lets you send and receive messages that are up to 20 MB in size, which already includes the message text as well as any file attachments.

iCloud Mail

The newsletter template features a header with the logo 'DYL' and navigation links 'HOME', 'ABOUT', and 'CONTACT'. The main title is 'SCHOOL NEWS' over a background image of a library. Below the title is a featured article 'School Book Fair' with a short paragraph of text. This is followed by a section for 'Upcoming Events' with a sub-section 'THEATRE LAUNCHING' and an image of a stage. Below that is 'ONLINE CLASSES' with an image of students. The final section is 'DIGITAL LIBRARY' with an image of people reading. At the bottom, there is a 'FOLLOW US' section with social media icons and contact information.
