

Menu Sizes

Menu sizes can vary when considering all the factors that come into play when creating and designing your menu. In the size chart below, you will learn more about the menu sizes you can use for your printed material and when utilizing digital platforms.

Menu Sizes Standard

US

Most food establishments in the US choose to hand out menus to customers that measure 8.5" by 11" or 216 mm by 279.5 mm to fit together a detailed list of what they can serve.

UK

Menus with the dimensions of 8.3" by 11.7", which equates to 210 mm by 297 mm, is perfect for restaurants in UK and Europe needing enough space to get creative with their menu layout.

Tabloid Menu

Utilizing tabloid menus with a size page measuring 11" by 17" or 280 mm by 430 mm is also gaining popularity in several restaurants, cafes, and bars.

Menu Sizes for Digital - Social Media

Facebook Menu Size

When posting your menu on Facebook, using a high-resolution image with 1200 by 630 pixels dimensions help you avoid cropping and optimizes load time in your Mac and Windows PC and smart and Android devices.

Legal Size Menu: 8.5" by 14"

Slightly larger than the letter-size menu, it is ideal for businesses that serve multiple categories and plenty of food items. Legal-size menus measure 215.9 mm by 355.6 mm.

Tabloid Menu: 11" by 17"

It has dimensions measuring 280 mm by 430 mm. This paper size is mostly used by pubs and bars to list available options for cocktails, wine, champagne, sodas, and other dishes.

A4 Menu: 8.3” by 11.7”

Cafes and restaurants choose to use the measurements 210 mm by 297 mm to print engaging designs, images, and details of their cuisines and design their menu covers. Businesses that use folder-style menus and menu books choose this paper size.
