

Program sizes can vary a lot depending on what type of event you are running, be it a handwriting workshop, a sports cup event, or a funeral. If you're planning on designing your own program, be it for digital or business purposes, it's best to know what the different sizes are to make your program look presentable.

Program Sizes Standard

Event-Based (5.5" x 8.5")

A lot of programs, particularly for wedding ceremonies, a pilot airshow, and event programs are set with this typical standard size. This program size has dimensions of 5.5 inches by 8.5 inches.

Business-Based (5.5" x 11")

The largest of the two standard sizes, this one measures 5.5 inches by 11 inches. This size is reserved for programs that take longer than usual such as funeral ceremonies for example.
