Employee Matrix Ideas and Examples

An [employee matrix](#) enables the mapping of skill levels of employees or teams which helps in ensuring that all team members are equipped with the knowledge to complete a job or project. Also known as an employee skills matrix, it presents a visual framework of the skills an organization can access and what will be required in the future. Using this enables an efficient evaluation of employee performance while making learning and development more effective.

The image shows a template for an Employee Matrix. At the top, it is titled "Employee Matrix" for "CFH Company". Below the title, the company's address is listed: "6302 Latter Minx Boulevard, East Greenwich, RI 02133", along with an email address "cfhcompany@gmail.com" and a phone number "222 555 7777".

The matrix itself is a table with "EMPLOYEE MATRIX" in the top-left corner. The columns are labeled "SKILLS" and include "Communication Skills", "Leadership Skills", and "Computer Skills". The rows are labeled "EMPLOYEES" and include "EMPLOYEE A", "EMPLOYEE B", and "EMPLOYEE C".

EMPLOYEE MATRIX	SKILLS		
	Communication Skills	Leadership Skills	Computer Skills
EMPLOYEE A	High Level of Competence	Average Level of Competence	High Level of Competence
EMPLOYEE B	Average Level of Competence	Average Level of Competence	Low Level of Competence
EMPLOYEE C	Low Level of Competence	Average Level of Competence	Average Level of Competence

At the bottom right of the template, there is a dark grey button with the text "• Editable | Printable" and "• Instant Download". At the bottom left, there are icons for Microsoft Word and Google Docs. At the bottom right, there is a small logo for "TEMPLATE.NET".

Project Matrix Ideas and Examples

A [project matrix](#) refers to a model of the software development work of a project which can also be used as a project management tool. It provides a single platform for organizing, relating, and viewing various aspects of the project. It is a diagram of columns and rows that provides a comprehensive view and description of a project.
