

Plan Sizes

Plan sizes can differ due to varying reasons to fill in what a situation demands and deliver your purpose. Considering how paper sizes have suitable uses, learning what to utilize when generating, sharing, and printing your plans is essential.

Plan Sizes Standard

Letter (8.5 inches by 11 inches)

In North America, especially in the US and Canada, you can find that they find the letter size sheet is a norm when processing documents for personal use at home, for printing essential paperwork at the office, and for papers at school. It has dimensions that are easy to remember, it measures 8.5 inches by 11 inches or 216 mm by 279 mm.

A4 (8.3 inches by 11.7 inches)

Most countries aside from those mentioned above, follow the ISO standards. In this paper size standard, you can say that the A4 paper with the dimensions of 8.3 inches by 11.7 inches or 210 mm by 297 mm ranks first when it comes to popularity in A-series sheet sizes when creating plans.

Legal (8.5 inches by 14 inches)

Despite legal size papers having the reputation of being used for legal purposes such as for contracts, there are no definite rules that say that you cannot use them for other types of documents. The sheet size measures 8.5 inches by 14 inches or 216 mm by 356 mm, which means it is the better choice for long-form plans because of its height.

Plan Sizes for Print

Letter Size Plan- (8.5 inches by 11 inches)

When writing and printing your plans a letter size paper measuring 216 mm by 279 mm is a go-to size if you follow the ANSI standards or collaborate with creating the document with those who do.

A4 Size Plan- (8.3 inches by 11.7 inches)

The exact dimensions of A4 paper are 8.27 inches by 11.69 inches which are kind of hard to remember, that said it may be easier to note its dimensions in millimeters, 210 mm by 297 mm.

Legal Size Plan- (8.5 inches by 14 inches)

Using US legal papers with the dimensions of 216 mm by 356 mm to fit the content and illustrations of a long-form plan is a boss move to save more paper and reduce costs for printing.

Plan Sizes for Print

PAPER SIZES	SIZE (in)	SIZE (mm)
Letter Size Plan	8.5" x 11"	216 x 279 mm
Legal Size Plan	8.5" x 14"	210 x 297 mm
A4 Size Plan	8.3" x 11.7"	216 x 356 mm

Plan Sizes for Architecture
