See details</p>	 <p>InDesign US\$33.99/mo <i>per license</i></p> <p>Page design and layout for print and digital media. See details</p>

A blue arrow points from the 'Acrobat Pro' card to the 'Illustrator' card. A blue border highlights the 'Illustrator' card. A 'TEMPLATE.NET' logo is visible in the bottom right corner of the grid.

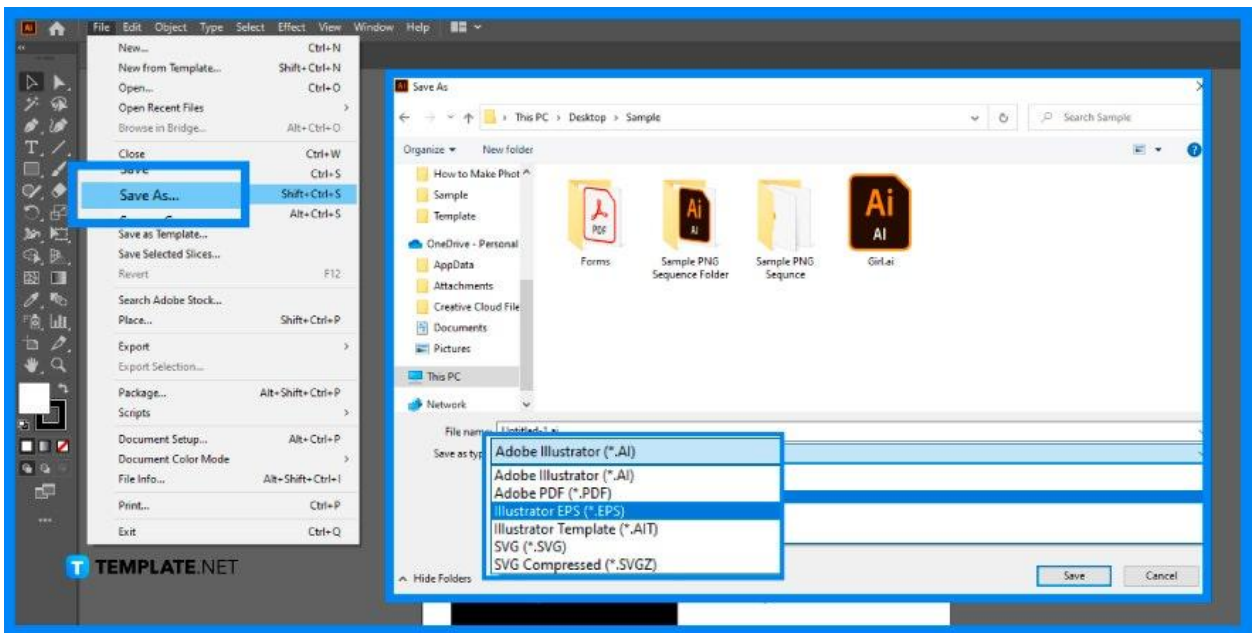

- **Step 2: Create a Logo**

Start the designing process by using all the design and creator tools to come up with a creative and efficient logo.

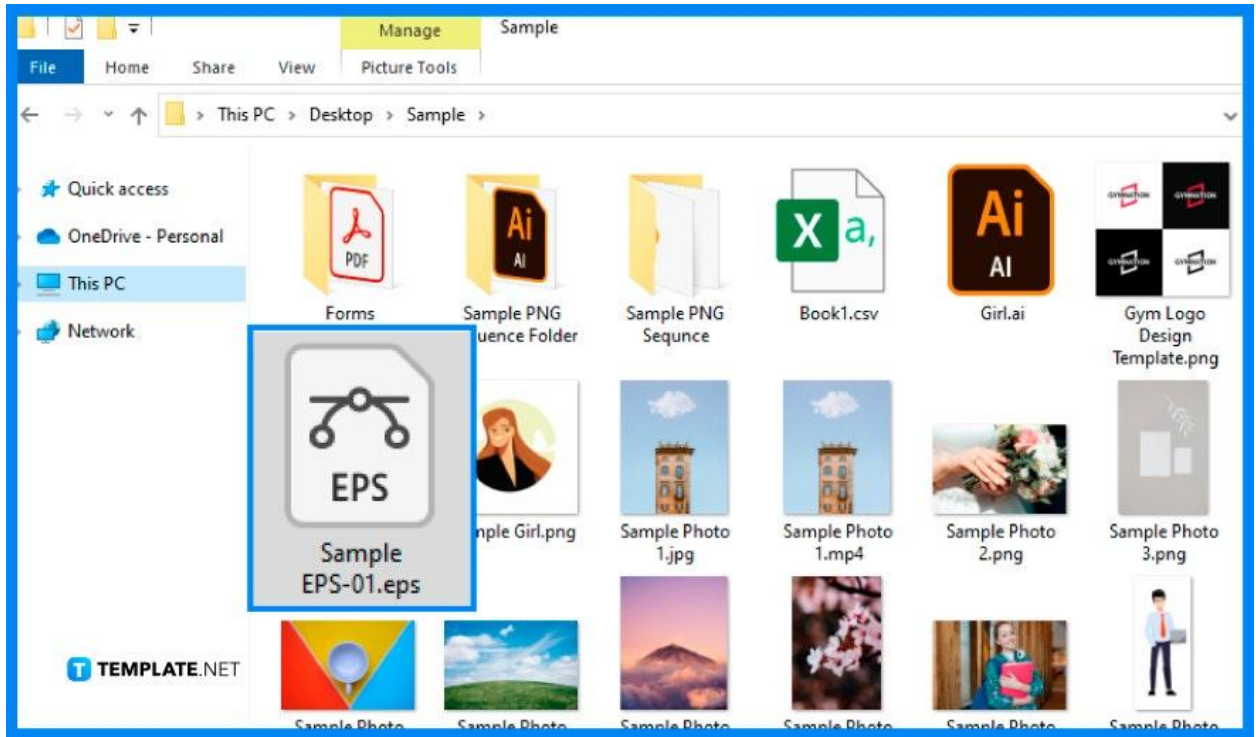

- **Step 3: Save as EPS**

In most design software, the Save As is at the File drop-down menu, click on File then navigate to Save As. Other software labels "Save as" as "Export" then click EPS.

- **Step 4: Navigate Computer**

Navigate your computer to locate the logo file, and double-check if it is saved as EPS.
