National Maritime Day is a holiday observed wholeheartedly by the United States—a nation known for having one of the most excellent maritime forces worldwide. The maritime industry is among the pillars that make the USA a great country and that's the core reason why Americans celebrate this special observance.

National Maritime Day Definition & Meaning

National Maritime Day is a yearly observance in the United States celebrating the maritime sector and the organizations, administrations, executives, marines, merchants, and professionals involved in it.

National Maritime Day is an annual event observed by American maritime personnel to acknowledge the excellence, history, and contributions of their industry to their country and in international territories.

When Is National Maritime Day?

The designated date to celebrate National Maritime Day is May 22 every year. It was decreed by the US Congress in 1933.

National Maritime Day History

The proclamation that made May 22 National Maritime Day was passed by the US Congress on May 20, 1933. Its purpose was to commemorate the first steamship transoceanic voyage in 1819. The ship was the S.S. Savanah which was sailing to the port of Liverpool, England. The S.S. Savanah was special because it was the first steamship capable of crossing the Atlantic. Over the years, National Maritime Day doesn't only mark the anniversary of the voyage but also calls to celebrate the maritime industry.

National Maritime Day Purpose, Importance

National Maritime Day isn't a federal holiday like the 4th of July and Memorial Day. However, Americans have good and meaningful reasons to celebrate it.

Mark the Anniversary of the S.S. Savanah Voyage

The voyage of the S.S. Savanah in 1819 is a historic event in the maritime industry. As the first steamship to successfully cross the Atlantic Ocean, she is regarded as a legend by maritime enthusiasts. Though it reverted to using sails on the return journey due to some engine failure, the S.S. Savanah paved the way for steamships and destroyer ships to embark on long travels.

Honor Those Who Served in the Maritime Sector

Thousands have served in the maritime sector. During the Second World War, over 250,000 American Merchant Marine Academy members served in the US Armed Forces. Many of them gave their lives. Those who served in the maritime sector deserve to be honored and remembered on National Maritime Day.

Acknowledge the Benefits of the Maritime Industry

The maritime industry has contributed a lot to the US economy and national security. The navy ships flying the American flag of the US gave them military intelligence over the seas and various shipping companies enabled them to transport goods around the globe. Their maritime forces are among the reasons why the US is a powerhouse country.

## What's on National Maritime Day?

On National Maritime Day, there'll be ceremonies celebrating the occasion and commemorating historical events and significant personalities in the maritime industry. People who are into ships will visit maritime museums, travel to coastal areas, and read books about famous ships and voyages.

How to Create a National Maritime Day Social Media Post

Social media is the best digital platform to remind people of National Maritime Day. With a compelling and eye-catching social media post, you're sure to grab their attention.
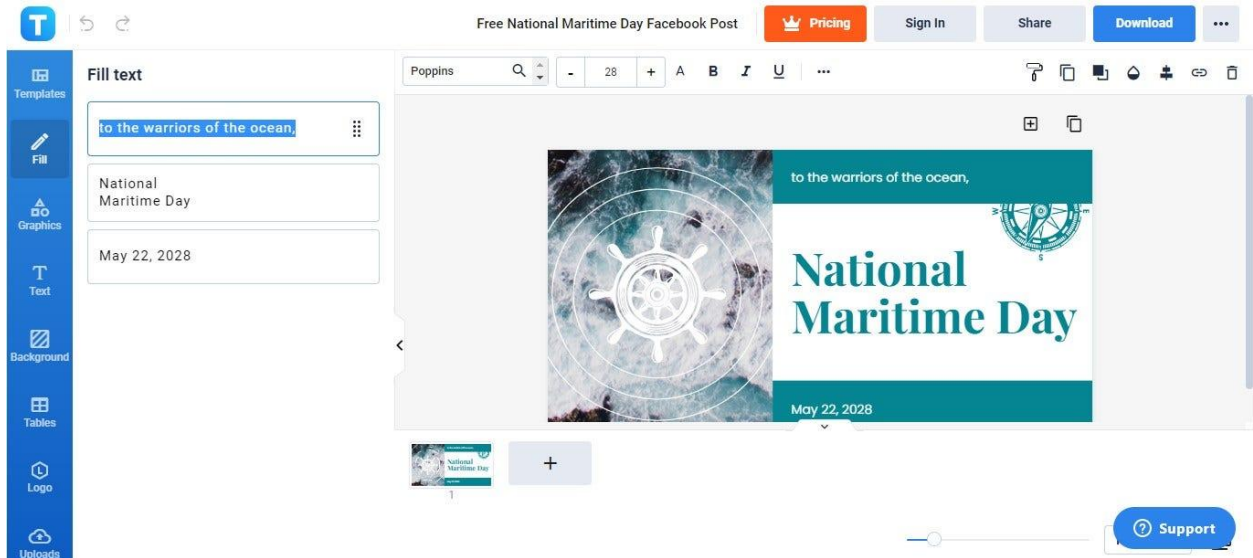

Facebook

1. Use our National Maritime Day Facebook Post Template.

The National Maritime Day Facebook Post Template has the perfect design and theme fit for the occasion. To start with it, simply open it in our Editor tool. Click the "Edit This Template FREE" button. The Editor tool lets you personalize the template.

2. Write your National Maritime Day message.

To write your custom National Maritime Day message, head to the Fill tab and edit the Fill Text boxes. Write your greetings, quotes, or wishes for National Maritime Day. On the third Fill Text box, emphasize the date of the celebration. And moreover, know that you can change the text's font style.

3. Add clip art of boats or ships.
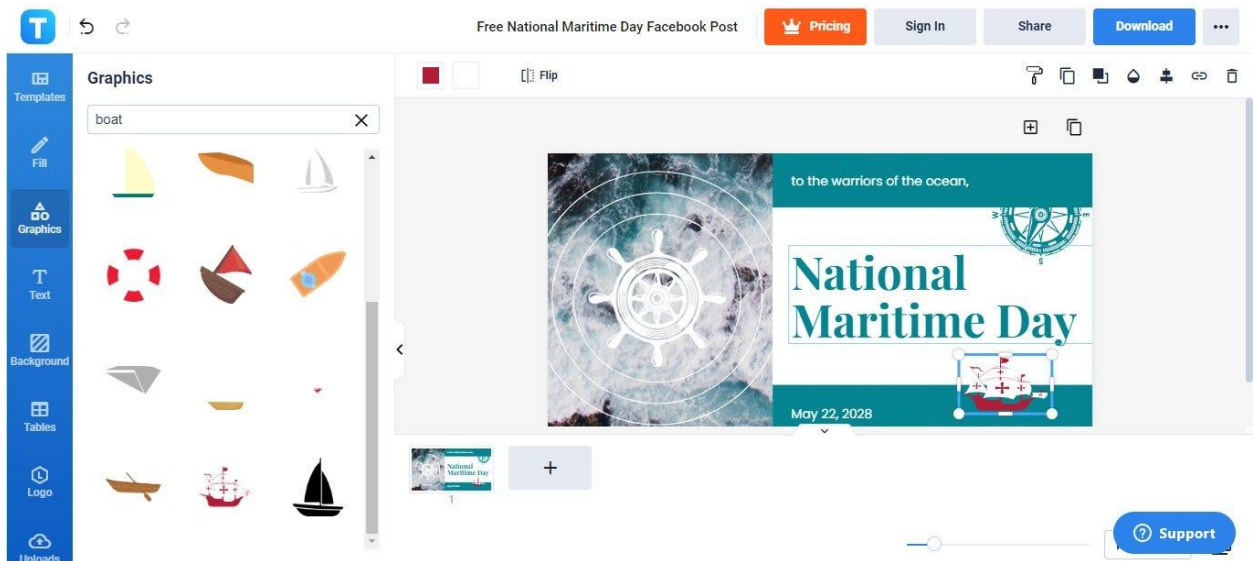

You can add clip art of boats or ships into the template. To find them, open the Graphics panel and type "boat" or "ship" in the search box. Multiple clip art will appear on the tab. Choose one that you like then click, drag, and drop it into the template. You may insert two or more clip art.

4. Upload and insert your official logo.
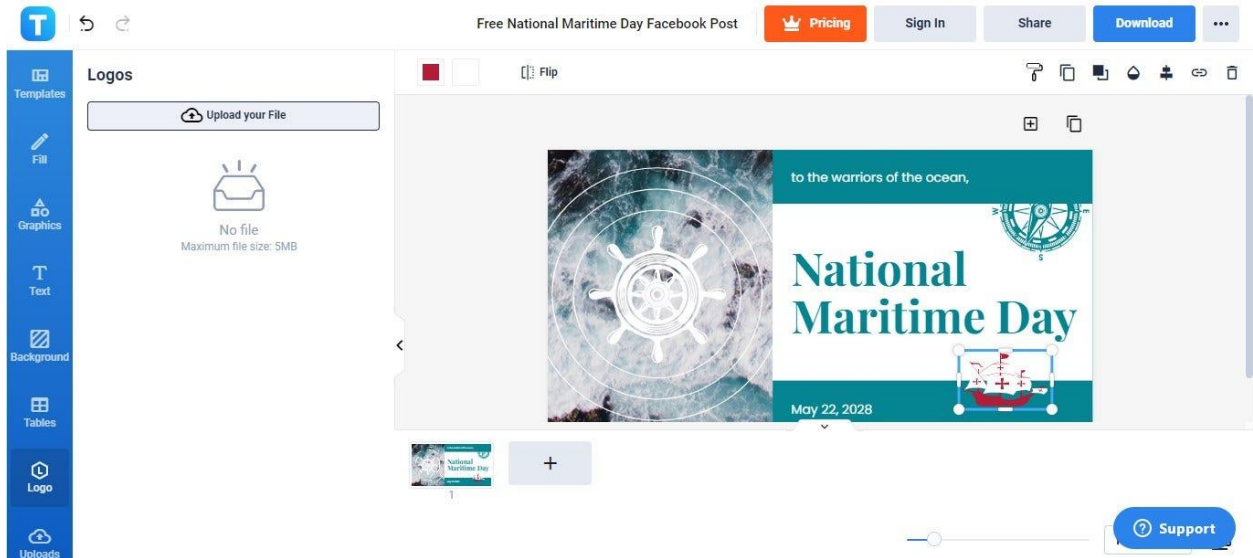

You should showcase the brand and image of your organization on the post. To do that, you can insert its official logo. Open the Logo tab of the Editor tool and upload an image file of your logo. Click the "Upload Your File" button. Then after uploading, insert your logo in the Facebook post draft.

5. Save your National Maritime Day Facebook post draft.
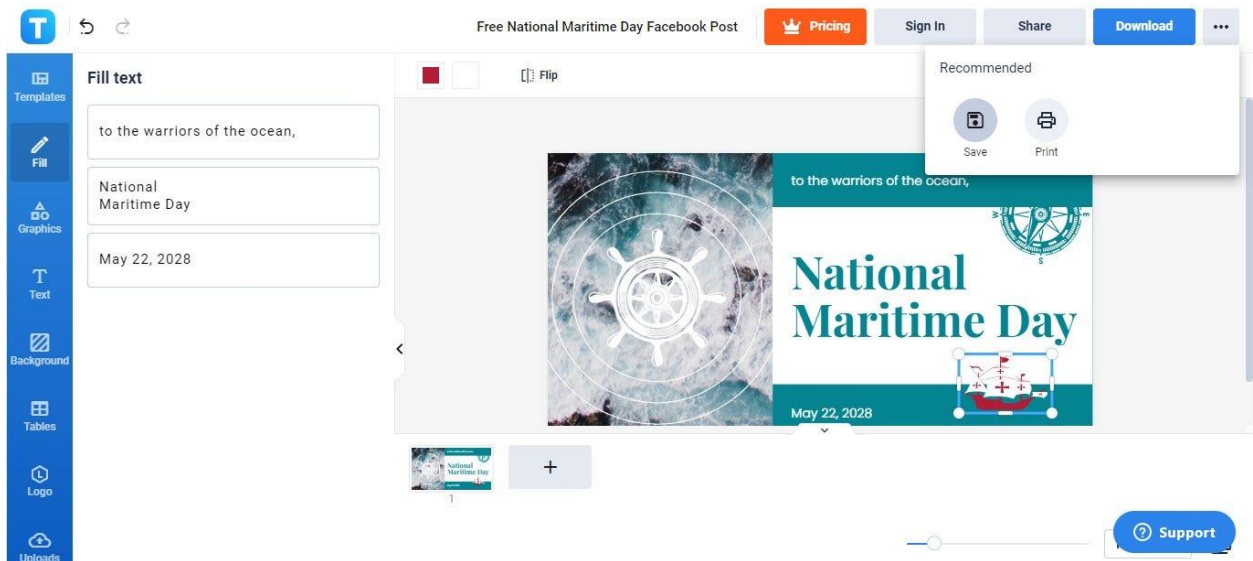

Lastly, you need to save your National Maritime Day Facebook post draft. Select the button in the upper right corner of the Editor page and click the Save icon. Have it upload to your Facebook account on the day or the day before National Maritime Day.

Instagram

1. Take advantage of the [National Maritime Day Instagram Post](#) Template.
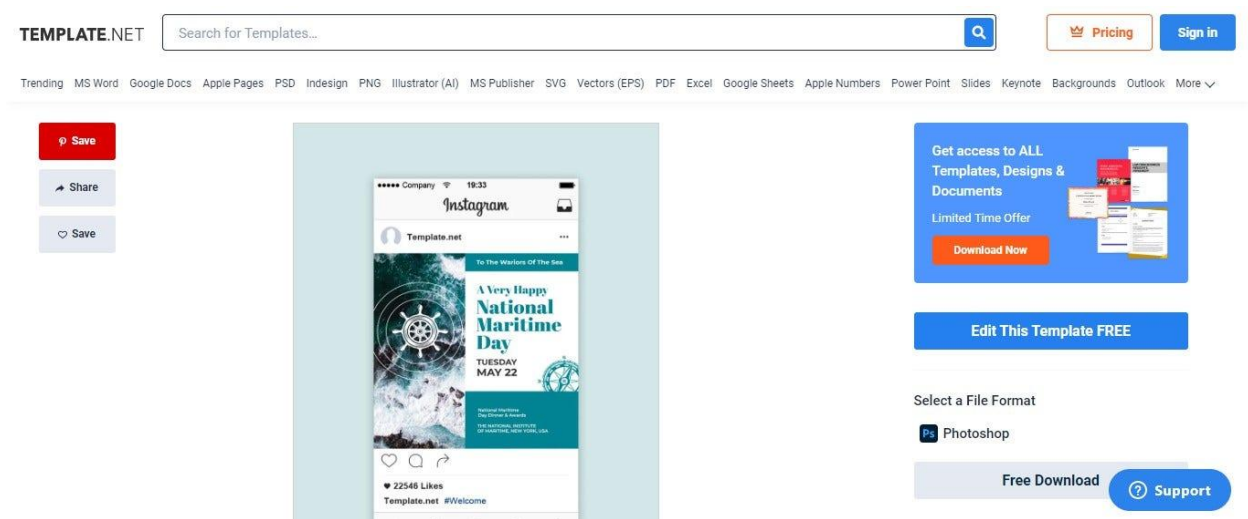

Use the National Maritime Day Instagram Post Template to help yourself create the best possible Instagram post. Start customizing it by clicking the "Edit This Template FREE" button which will bring you to the user-friendly Editor tool.

2. Insert graphics of ships and boats.
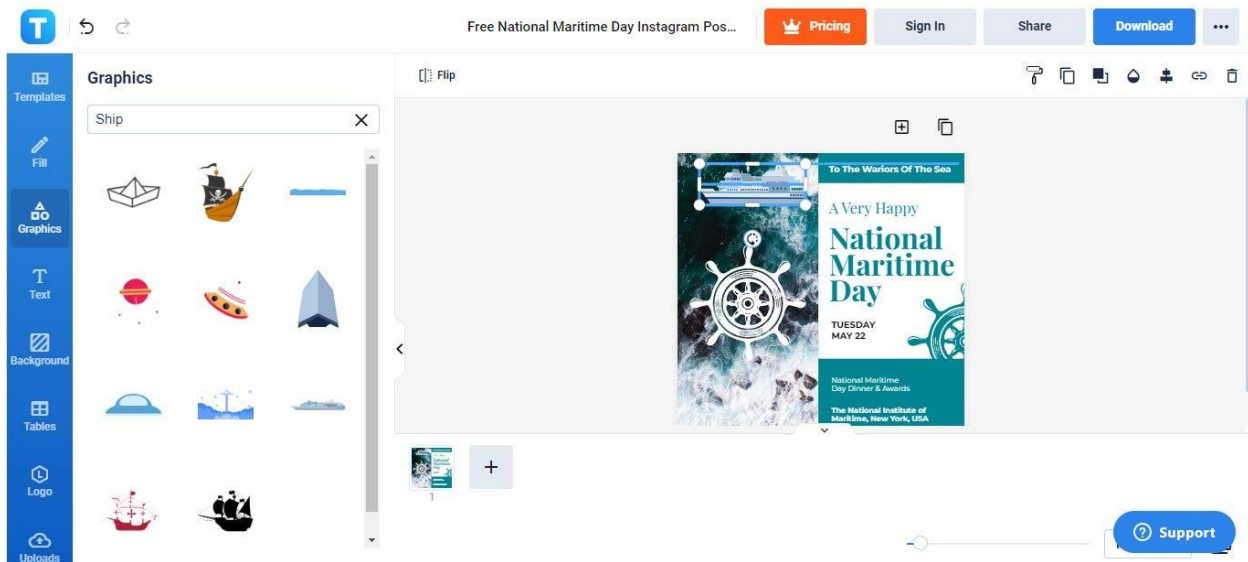

Once you're in the Editor tool, you may start by inserting artistic graphics of ships and boats. You can find many of them by heading to the Graphics tab and typing "ship" or "boat" in the search box. Just drag and drop your chosen ship/boat clip art into the template. You may resize and move it to a different position as needed.

3. Upload and attach your organization's logo.
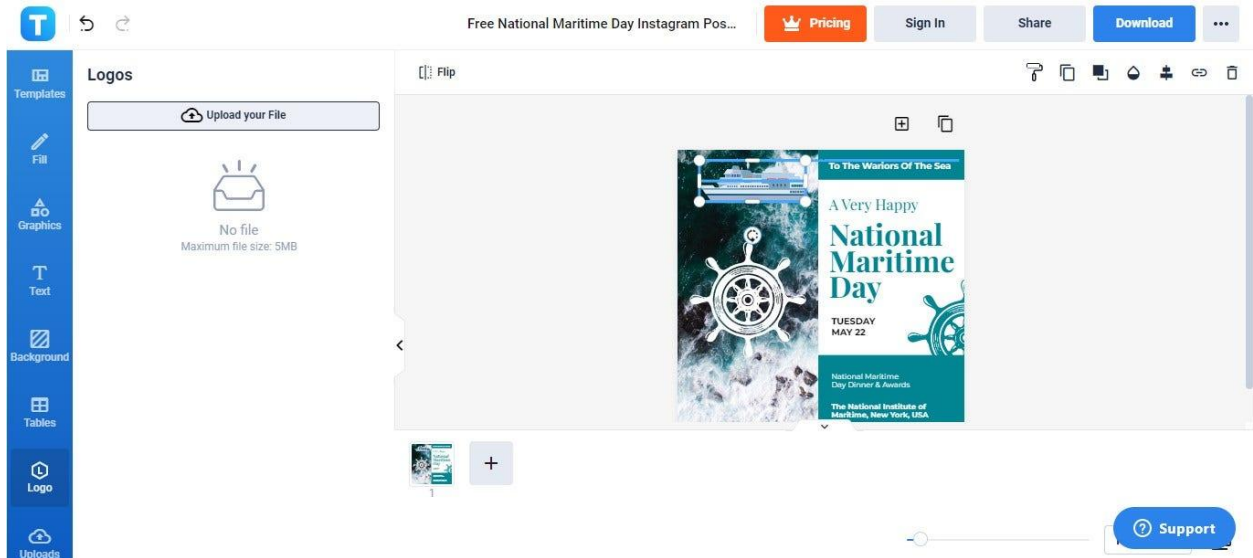

If you wish to display your organization's logo, feel free to do so. Go to the Logo tab of our Editor tool and click the "Upload Your File" button. After uploading, drag and drop your logo into the template. You can position it in the center of the Instagram post if you want.

4. Type in your unique National Maritime Day greetings.
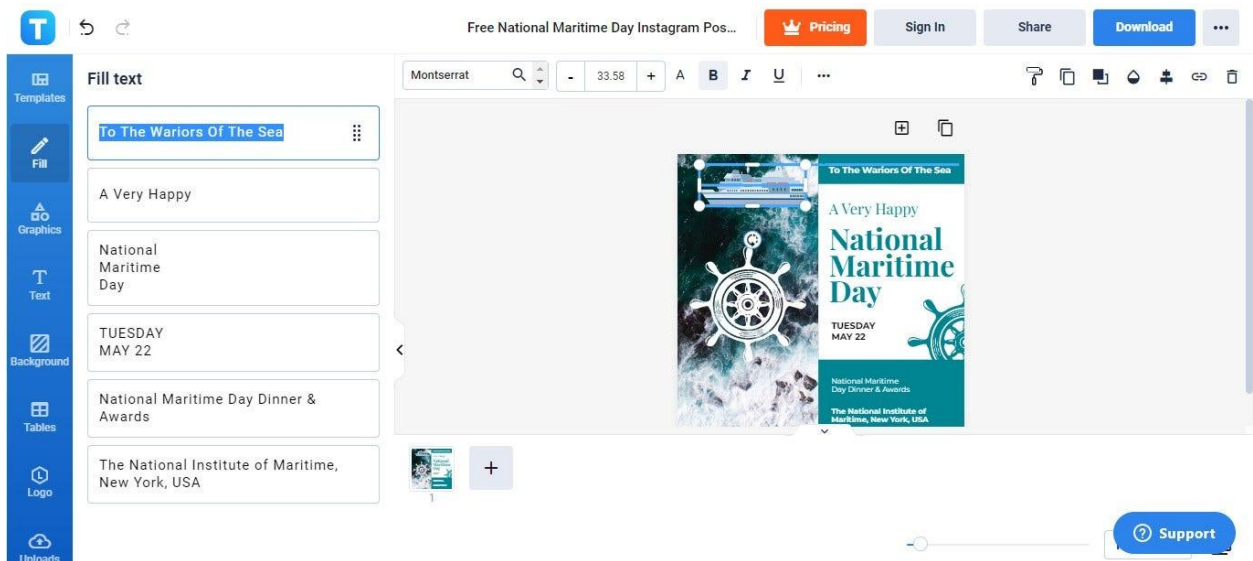

Your National Maritime Day greeting is the very heart of your Instagram post. Open the Fill tab and type in your greeting in the first, second, and third Fill Text boxes. Keep it short and simple. In the remaining Fill Text boxes, indicate the date and venue of your National Maritime Day party.

5. Save your National Maritime Day Instagram post draft.
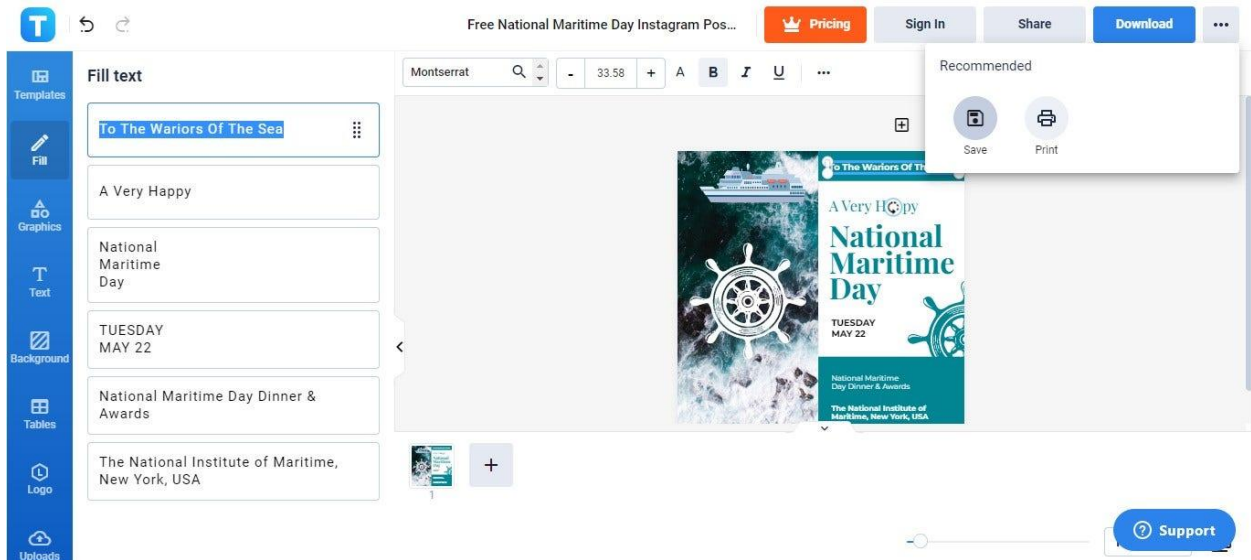

If everything is already to your liking, make sure to save your National Maritime Day Instagram post draft. Select the Save icon which you can find by clicking the button on the upper right side of the Editor page. Upload it to your Instagram account once National Maritime Day is fast approaching.

YouTube Channel Cover

1. Open the [National Maritime Day YouTube Channel Cover](#) Template.
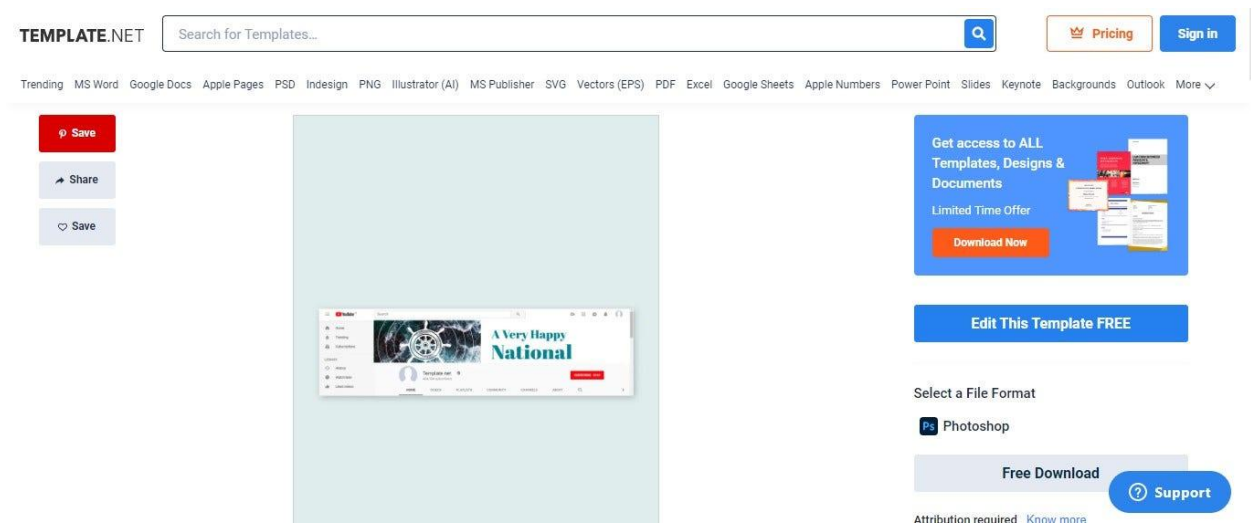

If you have a YouTube channel, the National Maritime Day YouTube Channel Cover Template is for you. With it, you can create a channel cover that fits the occasion. Select the "Edit This Template FREE" button to start customizing it in the Editor tool.
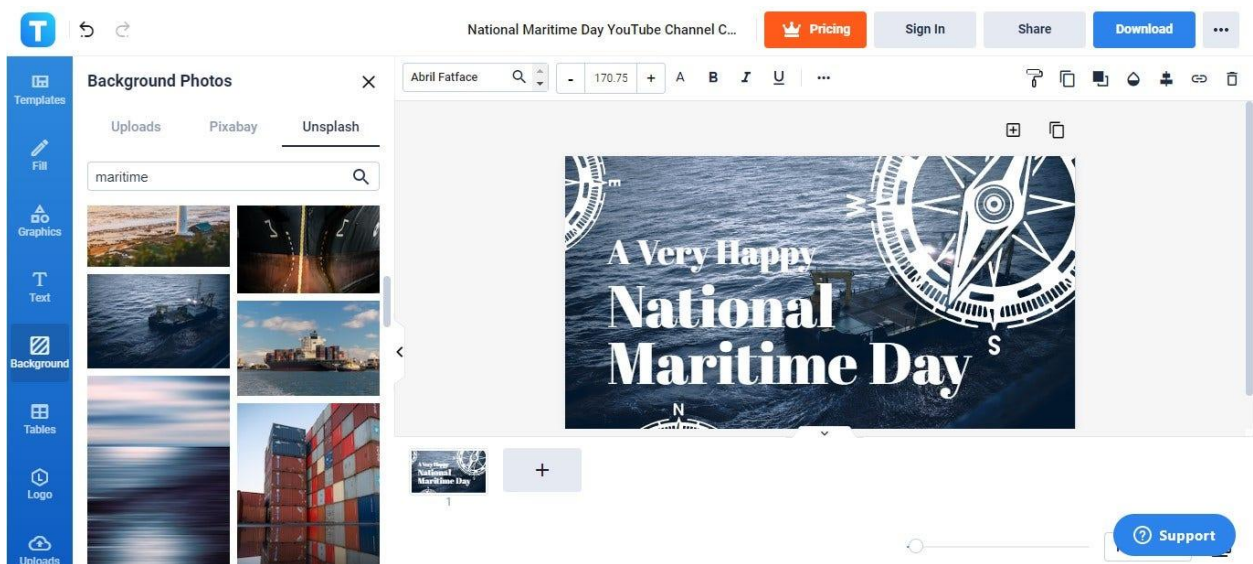

2. Customize the National Maritime Day greeting.
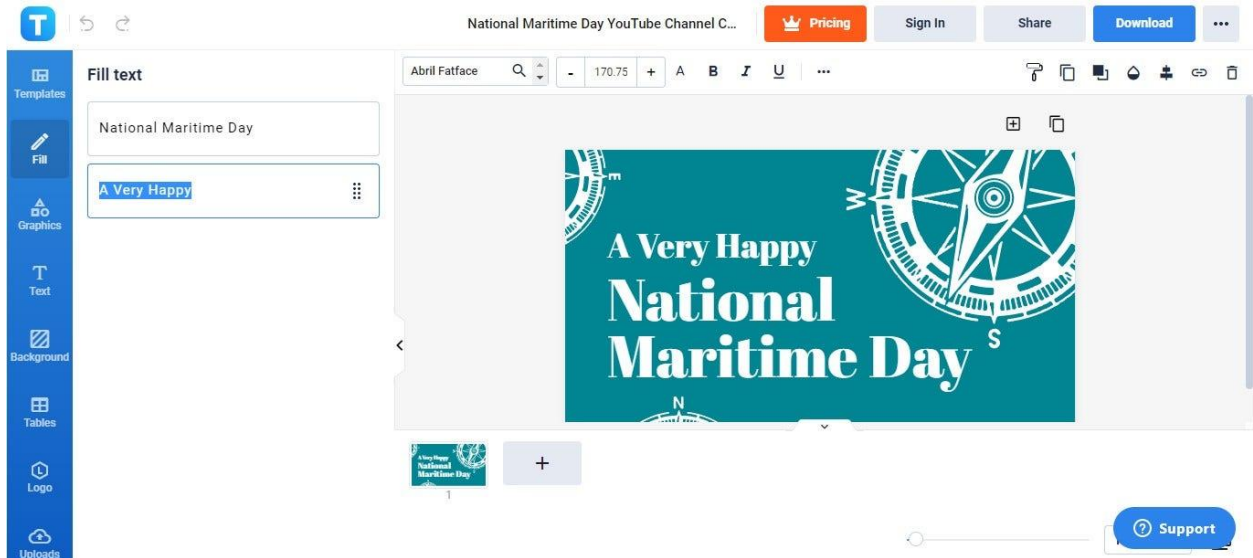

The template's default greeting can be edited. So change it to your own unique National Maritime Day greeting if you want. You can change it through the Fill Text boxes found in the Editor tool's Fill tab. Keep your greeting short and simple.

3. Use a maritime image as a background photo.

A maritime image as the background photo would make your channel cover look more alive. That said, consider setting one up as the background. Open the Background tab of the Editor tool, select See All under Photos, and type the keyword "maritime" in the search box of Unsplash or Pixabay. Maritime photos will appear as a result. Simply click the photo of your choice and it'll automatically apply as the background.

4. Drag and drop clip art of boats.
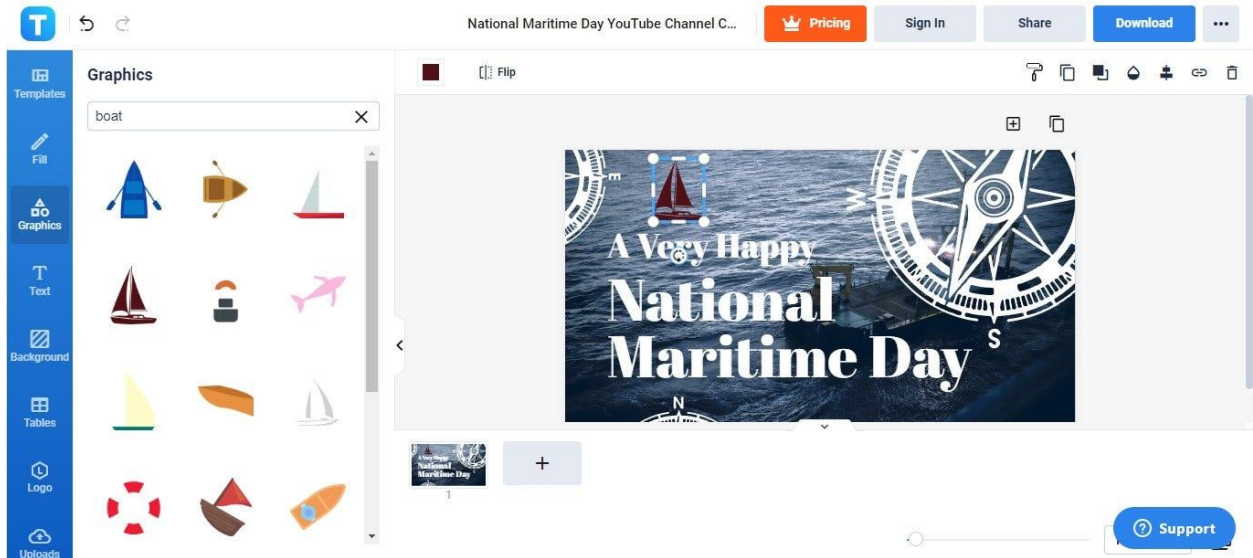

Graphics of boats and ships are in theme with National Maritime Day. They would be a nice addition to your channel cover. So if you want to insert one, open the Graphics tab and type "boat" or "ship" in the search box. Choose a graphic and drag and drop it into the template. Place it anywhere you want in the post and resize it if necessary.

5. Save your finished National Maritime Day YouTube Channel Cover.
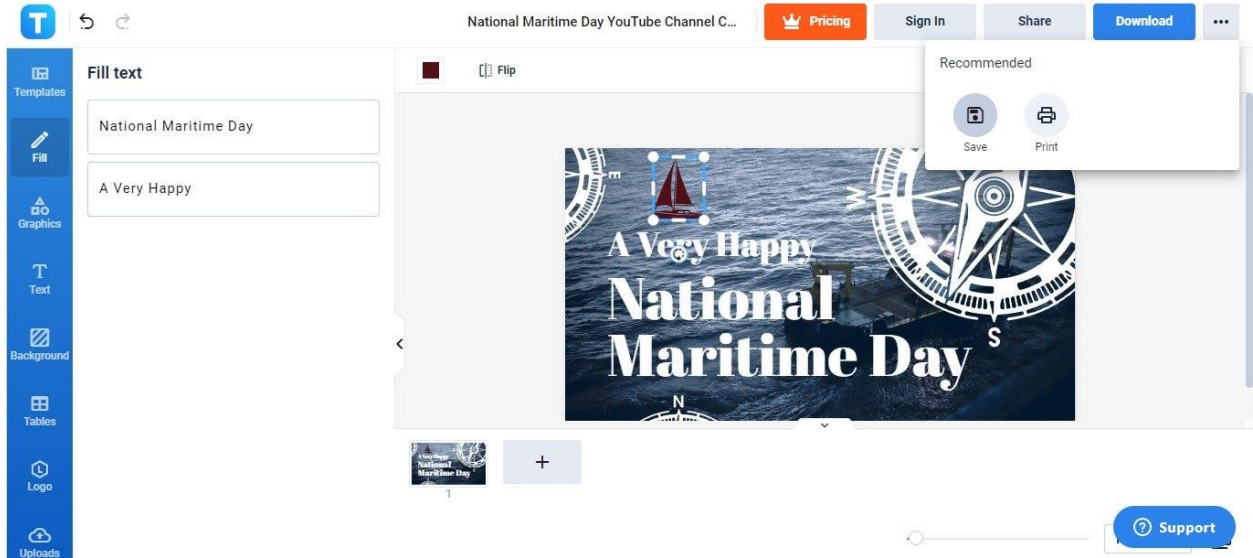

When you're done customizing, click the button in the upper right corner and select Save in the Recommended pop-up menu. Your National Maritime Day YouTube channel cover will be saved and ready for uploading to your YouTube account.
